Preliminary Reports Offered on 'City'

Citizen Group To Meet Again On October 23

Preliminary reports from various subcommittees of the recently formed Citizens Research Committee of Orinda Incorporated were made at a meeting of the group Wednesday night in Fellowship Hall of Orinda Community Church.

With hearings on proposed incorporation of Orinda scheduled to start at 10 a.m. October 15 by the County Board of Supervisors in Martinez, considerable interest was expressed in the time-sequence explanation offered by Attorney Ernest Spiegel.

Spiegel, who is general chairman of the Orinda Association's incorporation committee as well as a member of the Citizens Research Committee, pointed out that requests to the Board of Supervisors should be made after October 15.

"THE HEARINGS will start October 15," Spiegel said. "They will probably be completed before November 7, by which time the Board of Supervisors should have set the date for an election on whether Orinda should be incorporated as a city."

"Not until after the election date is set can candidates for councilmen be nominated," Lindsey Spight, acting chairman of the Citizens Research Committee, said after the Wednesday night gathering.

"We hope to be able to present our entire report at general public meetings while nominations can still be made for councilmen."

PETITIONS recently filed by the Orinda Association with the county qualified for the calling of an election by the supervisors.

Spight explained that at the election, which will probably be held in January, the electorate will be voting on three matters:

1. Whether Orinda wishes to incorporate as a city.
2. If it incorporates, does Orinda want a city manager form of government?
3. Selection of five councilmen.

About 20 persons attended Wednesday night's meeting, which was conducted by Spight.

NEXT MEETING of the Citizens Research Committee will be held October 23, 8 p.m., at Fellowship Hall of Orinda Community Church, Spight said.

That meeting, like the one this week, will be a working conference, according to Spight.

"We hope to start reaching some conclusions and maybe some preliminary recommendations at the October 23 meeting," he said.

Preliminary reports by subcommittees Wednesday night included:

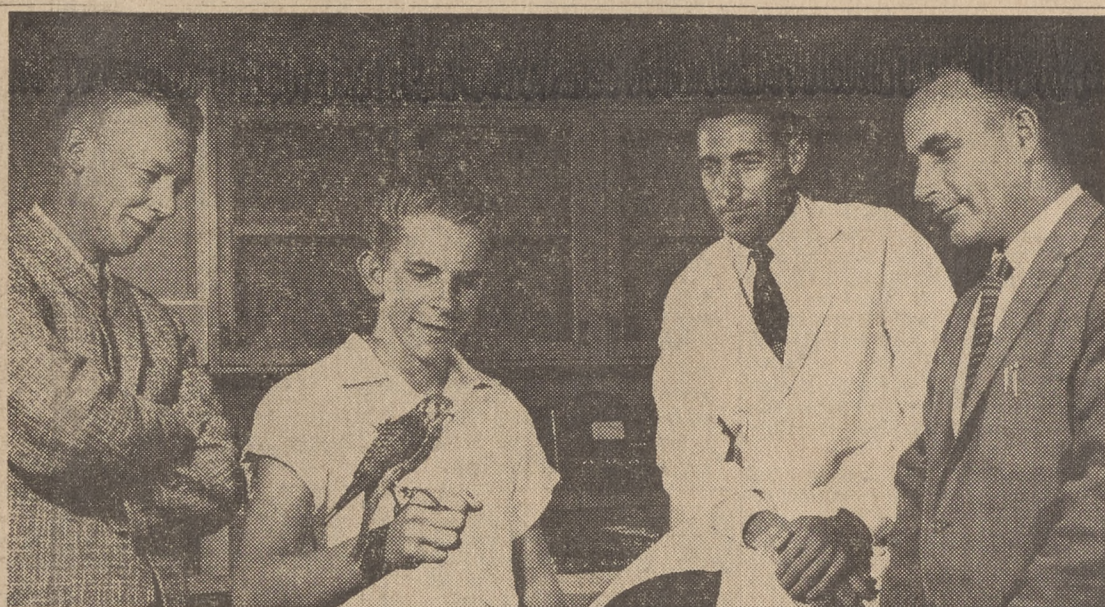

FINANCE AND BUDGET. Chairman Bruce Howard reported on possible income from an incorporated city of Orinda. Listed sources of income and estimated annual revenues included: Business licenses, \$14,000; fines and penalties, \$9,000; franchises, \$7,200; sales taxes, \$87,000; state grants and subventions—liquor licenses, \$2,400; gasoline taxes, \$54,000; automobile in lieu, \$100,000; engineering aid, \$4,000.

Public Works. Chairman Robeson Smith delivered a seven-page report on roads. Copies of this will be made available for study by individual members of the Citizens Research Committee.

3. Contact with other central county areas interested in incorporation. Howard Jewel reported, in the absence of Chairman Joe Ruple, Jewel pointed out that the Orinda problem will be the first in the central county to come up for an actual election.

It was mentioned that the Orinda developments would be followed with great interest by other communities and could lead to possible sharing of borough-type services. Ruple, Stanley Scott of the subcommittee and Jewel attended last week's meeting of the Central Contra Costa Community Council on Borough Government.

FALCONRY is the hobby of 16-year-old Gary A. Beeman, son of Mr. and Mrs. Kenneth C. Beeman of 9 El Gavilan, Orinda. Gary was featured Monday evening on the American Trust Company television show, "Science in Action" over Channel 4. Gary (second from left), a junior at Miramonte High School, displays his falcon, to left right, James A. Lewis, principal of Miramonte; Robert F. Campbell, Miramonte chemistry instructor, and Merle D. Brown, manager of the American Trust Company Orinda office. —Martin D. White photo

Split Vote Favors Trade By Association, Church

In a split 4-3 vote Monday night, Orinda Association directors decided to go ahead with a suggested plan to trade their 5½-acre parcel for an eight-acre parcel and an option on a seven-acre parcel at the Orinda Crossroads, provided that the Orinda Community Church is able to purchase those parcels and make them available.

The purpose of the trade is to put the church in possession of the 5½ acres, which are adjacent to its present property, for purposes of expansion, and also to obtain the two parcels now owned by East Bay Municipal Utility District for the association.

The association plans to develop one or both as a community center.

A direct purchase by the association is impossible since it does not have the ready cash, so the trade was proposed by Everett Howe, chairman of the church building committee.

BEFORE THE VOTE was taken, several association members spoke against the arrangement. In favor were Bob Walpole, Dorothy Adie, Claire Ward and Marvin Baker.

Gene Estes, Art Flint and Holland DuBoise voted against. Not present were Directors Fred Twining and Norman Cunningham.

It was indicated that the next step is to secure a firm offer from the church that it will buy the EBMUD land, giving the eight acres to the association and guaranteeing an option for the purchase of the seven acres, all in exchange for the association's 5½ acres, located between the present church land and the Orinda School.

Church members will meet on Sunday at 7 p.m. in the chapel to consider the recent developments.

THE ASSOCIATION would also receive an easement on the seven-acre parcel, avoiding the need for securing an access road to the eight acres.

Cost of the eight acres as originally offered by EBMUD to the association was \$3500 per acre, with the provision that a 600-foot road be developed according to county standards.

The EBMUD land is on the northwest quadrant of the Orinda Crossroad, across the Orinda Highway from the Pine Grove. EBMUD will retain another 32-acre parcel in the area.

The church recently offered \$30,000 for the 5½ acres of association land.

During the meeting, attended by nearly 50 persons, Edgar Stewart said that he was concerned about the cost of bringing the new parcel up to specifications.

Flint also questioned the procedure, mentioning the possibility that the Bay Area Rapid Transit District might some day place a passenger station there.

Orinda Chamber of Commerce will continue to ask the county to landscape the portion along Bryant Way near the state fence separating Bryant Way from the Orinda interchange, according to Clarence Betz, secretary.

Betz, at the chamber's Tuesday luncheon meeting at the Casa Orinda, noted the County Public Works Department had not as yet taken action on the chamber's previous request for landscaping of the area.

In other business, Maynard Buehler, president, handed out posters urging the public to participate in the County-City-State Highway Survey.

Betz commented the county was considering the adoption of the Orinda Chamber of Commerce's system of house numbering. The Orinda Fire Department is responsible for the implementation of the house numbering plan.

George Dodge, chamber member, informed the chamber that the Orinda-Moraga quota for the United Crusade is \$9400.

Merle Brown, Orinda manager of the American Trust Company Bank, introduced Gary Beeman, Miramonte High School student. (See feature story on Beeman on Page 11.) Gary described Miramonte High School to chamber members.

The chamber's Board of Directors meeting will be Tuesday at the Casa Orinda. All chamber members are welcome to attend the meeting. A directors' meeting planned for September 24 was postponed, said Buehler.

Contest Enhances Orinda's Fire Prevention Week

Orinda Fire District officials are planning a program for Fire Prevention Week whereby the elementary pupils will be encouraged to develop their own fire prevention programs.

A contest will be held starting on Sunday in which each school may pick out its own fire prevention project to be judged later. A metal trophy cup will go to the winning school. Pennants will go to the runner-up classes or schools.

Fire Marshal William Koch said that in addition all Orinda children will be given "home inspection" reports to fill out and return to the schools.

The decision of the judges will be announced next Friday.

Jobs Available At Orinda P.O.

Postmaster Laura Mallory announces that for the first time in several years a position will be open at the Orinda Post Office around December 1 for a city delivery carrier.

This is a career position with retirement, vacation and sick leave benefits. Any Orinda residents interested are invited to take the civil service examination in order to get on the list of eligibles.

The position pays \$1.82 an hour as a starting salary. Veterans will be given preference at the time of appointment but other male residents may take the examination in order to be eligible for appointment in the event no veteran applies.

Mrs. Mallory also announces that a temporary position as a substitute carrier until December 31 is also open for a person to work on Saturdays and to be employed full-time during the Christmas season.

Mrs. Kittredge Rites are Today

Funeral services will be held today at 11 a.m. for Mrs. Fleeta Kittredge, 35, of 122 El Toyonal, Orinda, who died Wednesday morning in a Berkeley Hospital.

She became ill the day before while working at the Cutter Laboratories in Berkeley. The services will be held in the Berkeley Hills Chapel, Berkeley.

Survivors include her husband, James Kittredge of Orinda, a daughter, Mrs. Mary Lee Bachman of Berkeley, and a granddaughter.

Survivors also include her mother, Mrs. Effie Meyers of Kansas City, Mo., three brothers and two sisters.

Mrs. Kittredge was born in Colorado, and came to California in 1946. She lived in El Cerrito before moving to Orinda, three years ago.

Swindler Bunce Will Hear Sentence, Oct. 22

Orindan John H. Bunce, Jr., who is suspected of taking more than a half million dollars from area investors under false pretenses, will be sentenced in Alameda County Superior Court on October 22.

Superior Judge James Agee agreed to postpone on the request of Bunce's attorney, Suren Toomajian.

Meanwhile, Oakland Police Inspector Lester King has announced that his investigation of the 34-year-old wartime bomber pilot's stock market activities will continue. He has interviewed more than 20 people who say that Bunce took their money for investment purposes and didn't make good.

AND THE LATEST total is 56 persons who claim they were duped.

Bunce's conviction, however, will be on the basis of his plea of guilty to operating as a stock broker without a license, and to appropriating for himself \$20,000 entrusted to him by Arthur Johnson, Walnut Creek real estate man.

A surprise development came after Bunce was arrested on the basis of Johnson's complaint, and jailed when he could not make the \$10,000 bail. Walnut Creek attorney John Nejedly accused the Alameda district attorney's office and Oakland police of "soft handling" in the case.

Nejedly represented Edward Moore, Walnut Creek dentist who claims that Bunce took him for \$10,000. Moore said that he tried to sign a complaint against Bunce, but was told that they "didn't want any more complaints—one was enough."

SINCE THEN Inspector King has promised that all complaints will be fully investigated, and they will be taken into consideration. Nejedly then said he was satisfied that the prosecution was being conducted properly.

Heart Attack Causes Death Of Woman, 35

A heart attack was listed as the cause of death of Mrs. Blanche Stanley, 35, of 7 Rita Way, Orinda. She collapsed on September 24 in the home of a friend, and died.

Laboratory tests have shown that she died of a heart disease, "not the common type, but often fatal when it does happen," according to her physician.

Mrs. Stanley was stricken when she returned from a meeting for the home of Mrs. D. H. Beiler, 128 Glorieta Boulevard, to pick up her baby, left in Mrs. Beiler's care.

Motorists Irked By First Rains As Hill Slides

Tons of earth and rock slipped down the steep slope 100 yards east of the Broadway Low-Level Tunnel early last Friday morning and blocked the east bound lanes at the peak of the commuter rush hour.

The California Highway Patrol said traffic was blocked for more than two hours and cars were backed up on Mt. Diablo Boulevard all the way into Walnut.

THE FIRST storm of the season which caused the slide dumped 43 inches of rain on Contra Costa County Friday and Saturday. Other than the slide, the rain caused no particular damage.

The CHP attributed several minor accidents to poor visibility and slick road surfaces. Some heavy equipment being used on various construction projects was reported bogged down in the first mire seen since last spring.

Two accidents were reported during the rain storm but neither one was blamed on the storm.

THE HIGHWAY PATROL reported a car driven by William MacDougall, 38, 2460 Geraldine Drive, Pleasant Hill, struck a parked car owned by James Barbee, 2085 Highland Drive, Concord. The accident happened on Geraldine Drive.

MacDougall was injured and taken by the Highway Patrol for being drunk in and about a motor vehicle, according to a Highway Patrol report.

The second mishap in the rain happened Saturday at the junction of Moraga Boulevard and First Street in Lafayette.

Cars driven by Dale William Dixon, 20, 2300 Moraga Boulevard, and Elain Gostad, 16, 4096 Legion Court, Lafayette, collided in the intersection, said the CHP.

Orinda Wife Found Dead In Swim Pool

Although her body was found in nine feet of water in her private swimming pool, Mrs. Jesse (Jay) Haukeren, 48, of 15 Vida Descansada, Orinda, died of a heart attack Monday night, preliminary reports indicated.

She was found by her husband, attorney George Haukeren at about 6:30 p.m., when he arrived home from San Francisco, where he works.

Haukeren immediately called the Orinda Fire Department and a physician, but efforts to revive her failed. The physician performed an incision and massaged the heart to no avail.

The husband told Sheriff's Department Norman Wilson that it was Mrs. Haukeren's habit to take a swim just before dinner. The table was set, but the food was not laid out when he arrived.

Private funeral services were held Wednesday at the Albert Brown Mortuary in Oakland. Contributions in lieu of flowers may be sent to the Orinda Library Fund, P. O. Box 254, Orinda, under the name, "Jay" Haukeren.

The husband is a secretary of the Orinda Country Club, a former director of the Orinda Association and has been a member of the County Republican Central Committee.

There are unofficial readings:

	High	Low
September 26	76	50
September 27	69	59
September 28	65	51
September 29	79	52
September 30	77	50
October 1	80	45
October 2	75	45

More than an inch of rain fell in Orinda this week, wetting the weather observers' gauges for the first time in the current weather year, which started July 1.

The temperatures were mild, without any high readings, which had been customary through the warm and dry summer.

Here are unofficial readings:

	High	Low
September 26	76	50
September 27	69	59
September 28	65	51
September 29	79	52
September 30	77	50
October 1	80	45
October 2	75	45

from at the present time. One, the so-called Asian Flu for which there is a vaccine, and the other, Adeno Virus, which is very similar to the Asian strain with the exception there is no vaccine to combat it.

The vaccine against Asian flu takes about two weeks to become effective. To many persons now suffering from the malady, the vaccine would give little relief.

Doctors debate the point of whether having the flu makes a person immune from the virus, according to a local physician,

CONSENSUS is to get the vaccine whether or not you've had the flu. Another doctor noted the flu can lead to complications. Persons with the flu should make steps to get professional aid.

"The cure for the flu is not to just go to bed for several days. Although this helps, it's not the only thing to do. Contact a physician and get some assistance to prevent complications of the somewhat mild Asian Flu," said a doctor who did not wish his name used.

PREPARING QUESTIONNAIRES for the City - County - State Study of Roads in Contra Costa County are Mark Kermit, county traffic engineer, and Chet Smith, deputy director of county public works. Residents are urged to return questionnaires as soon as possible.—Sun photo

Electronic Marvel Slated To Compute Road Returns

One of the new almost human electronic marvels, the high-speed computer, is being made ready to cut its eye teeth on the comprehensive Contra Costa Cities - County - State Thoroughfares Survey.

Owners of 160,000 Contra Costa motor vehicles soon will be receiving in the mail the first questionnaires, the answers on which will be fed into the electronically operated brain to get the response to many questions.

"This will be the first major fact finding and analysis job in which one of these computers has been used to determine traffic needs for road planners and engineers," Victor W. Sauer, County Public Works Director said today.

Engineers of Sauer's staff, of 11 cities in the county and the state are pointing out that traffic is not concerned with political boundary lines and that the current survey is being conducted without regard to political jurisdiction.

"This survey is a cooperative effort of all official traffic concerned agencies operating in the county," Sauer declared. "The Tudor Engineering Company, a nationally known consulting firm, is aiding the project."

The very heart of this story is the determination of just where people go and want to go regardless of any existing roadway network.

Sheriff's Reserve Dispute Aired Before Supervisors

The Contra Costa County Board of Supervisors advised all parties involved in the dispute between the Sheriff's office and the Sheriff's Reserve to sit down and hash things over.

In a double session hearing in Martinez Tuesday, the board heard Acting Civil Defense Director Col. Ralph Holmes, and Allen A. Rhodes, law enforcement coordinator.

JAGARD, Rhodes and Holmes had been requested to explain to the board the apparent controversy resulting in resignations of Walnut Creek members of the Area II reserve unit.

Henderson said the men had recently resigned from the unit because of grievances concerning assignments and alleged favoritism in handing out pay details. He expressed discontent had been felt over Sheriff Harry A. Brown's regulations on political activity.

The Walnut Creek contractor stated the men were disgruntled because they were assigned unpaid details while reserves under the jurisdiction of Constable Clint Jones were paid for the same type work.

EARLY IN THE morning Holmes, Jagard and Rhodes stated the entire affair was a personality clash involving Henderson. Henderson has turned in his Captain's badge.

Henderson said assignments of the reserve unit have been growing heavier every month and the men are no longer capable of filling all requests for help.

Rhodes said he would rather turn over the problem to the nine man board composed of Reserve unit leaders rather than sitting down and having a general discussion of the matter as the supervisors had suggested.

Rhodes explained the sheriff's office and the county sponsored two separate reserve organizations formerly—one for patrol duty and the other was a highway patrol traffic unit. Both were under the jurisdiction of Civil Defense.

work. The first task is the monumental job of mailing coded cards to registered automobile owners. Next, and most important, is the response. Then comes the herculean task of computing answers.

"It is then that the electronic computer will go into action," the public works director, declared. "The information furnished by citizens is punched as tiny squares on small cards. These cards are then fed into the computer, which supplies answers to specific questions at a rate of 40,000 operations per second."

The engineers expect that it will take only hours or days to produce final results that under other systems would require months.

Some of the expected answers will cover facts on traffic desires that will enable the planners to locate new highways and improve existing roads. It will also enable future rights-of-way against buildings with consequent higher cost to the public and to map roadways that will better serve owners, commercial interests and industries.

"If the facts are not sufficient, the computer cannot do the job of which it is capable," Sauer said. "Response to the questionnaires, therefore, is vital. We urge every citizen to make response to his questionnaire and to do it immediately upon receipt," he said.

Parking Limit On Camino Pablo

Effective November 1, a two-hour parking limit will be established Tuesday by the County Board of Supervisors for the northern side of Camino Pablo between Brookwood Road and Orinda Highway.

The ordinance adopted by the supervisors specified that parking along the 100-foot road, which is behind the Orinda Theater, be limited to two hours during the periods from 8 a.m. to 6 p.m., Sundays and holidays excepted.

The ordinance had been recommended by the County Public Works Department.

Flu Continues Rampage in Central County; Thousands Ill

Flu continued its rampage through Central Contra Costa County this week as it moved out of Pleasant Hill Schools and moved into schools of the Acalanes School District.

Schools in Walnut Creek, Lafayette and Orinda reported heavy absenteeism while the flu in Mt. Diablo Schools seemed to be declining slightly.

SOME DIFFERENCE in opinion has been stated by the County Health Department of whether the flu is primarily of the Asian strain

or some other respiratory disease.

Whatever it is, it is spreading rapidly. Lloyd Frost, chief of the Division of Health, Education, noted the disease, whether Asian Flu or some other respiratory disease, is spreading rapidly.

"The illness is so mild that many children are not sent by a doctor," he commented.

"NO COMPLICATIONS have come to our attention to date," he continued.

A reasonable supply of Asian

Flu vaccine has been promised by the manufacturers in October. The public health authorities, federal, state or local, are not controlling the distribution of the vaccine.

"The vaccine is distributed by the pharmaceutical companies through regular commercial channels. As long as the vaccine supply is limited, doctors will receive an allocation on the basis of population," Frost said.

No mass immunization clinics for Contra Costa County are

planned by the Health Department.

"It is the consensus of national and state public health authorities that individuals who desire vaccination against Asian Flu seek care from their private physician or usual source," said Frost.

"Outbreaks of influenza in institutions or closed groups must be reported by law. Sporadic cases have not been reported for many years," Frost warned.

"THE HEALTH Department is interested in the spread of any

illness including Asian Flu and hence would appreciate information of an unusual number of cases of any illness," he concluded.

Complications of the Asian Flu, as with any respiratory infection, are bronchitis, pneumonia, ear infections and sinus trouble, according to a Pleasant Hill physician.

"Vaccinations for regular flu, which have been on the market for several years, are of no value in combating the Asian or Adeno strains," he concluded.

The Sun contacted several area doctors asking them if they had enough vaccine to take care of their practices. One commented he had none whatsoever; another doctor stated he had a small supply and expected more within the next month; another quoted his supplier as stating that he could furnish the doctor with all the vaccine he could use with his practice within two weeks.

One doctor informed The Sun there were two strains of virus which most people are suffering

from at the present time. One, the so-called Asian Flu for which there is a vaccine, and the other, Adeno Virus, which is very similar to the Asian strain with the exception there is no vaccine to combat it.

The vaccine against Asian flu takes about two weeks to become effective. To many persons now suffering from the malady, the vaccine would give little relief.

Doctors debate the point of whether having the flu makes a person immune from the virus, according to a local physician,

CONSENSUS is to get the vaccine whether or not you've had the flu. Another doctor noted the flu can lead to complications. Persons with the flu should make steps to get professional aid.

"The cure for the flu is not to just go to bed for several days. Although this helps, it's not the only thing to do. Contact a physician and get some assistance to prevent complications of the somewhat mild Asian Flu," said a doctor who did not wish his name used.

Park? 'Can't Ask EBMUD Set Aside Land'--County

Representatives of the East Bay Municipal Utility District told the Contra Costa and Alameda County Boards of Supervisors Tuesday that EBMUD would be willing to negotiate with any public agency interested in obtaining the district's 6500-acre San Pablo Reservoir watershed property for park use.

However, they stressed that during the past year the EBMUD board has received no indications from any public agency evincing such interest.

Following a talk by Bill Bolce, EBMUD customer relations representative, the Contra Costa County supervisors agreed that they could not logically ask the utility district board to hold the land, since Contra Costa County already was committed to the purchase from EBMUD, during the next 10-year period, of the 1430-acre Briones Valley site for park purposes.

THE SUPERVISORS pointed out that in any further acquisition of land for park use they believed consideration should be given to the eastern part of the county.

The appearance of Bolce before the county board in Martinez was in connection with a letter from the County Park Commission, over the signature of Chairman Ruffe D. Miller, asking County supervisors to request EBMUD to withhold sale of the 6500 acres until such time as interested public agencies have had an opportunity to survey the land for potential park use.

In his letter, Miller reported that at the Park Commission meeting of September 23 a resolution had been passed opposing sale of the land until such a survey could be made.

ALSO ON TUESDAY, C. P. Tanner, head of the EBMUD customer relations department, appeared before the Alameda County Board of Supervisors in Oakland, to answer a request by Mrs. Helen Bole of Orinda, representing the EBMUD Citizens Committee, that the Alameda County board join in a campaign to make a public park out of the San Pablo Reservoir area.

After Mrs. Bole talked, Tanner made essentially the same presentation that Bolce made before the Contra Costa board.

The Alameda County supervisors declined to take action on the EBMUD Citizens Committee request.

ON ANOTHER MATTER, a letter from Chairman Alvin Burton of the Contra Costa Park and Recreation Council was read requesting that a pending report concerning proposed establishment of a parkway between the

old and new San Pablo Dam Roads along the lake be made public in time to allow study by interested groups before official action is taken.

Associate County Planners Ed Radosevich and Anthony DeJesus stated that such a report is being made available by the County Planning Commission and that a copy would be sent to Burton.

At the request of the Contra Costa supervisors, Bolce agreed to convey to the EBMUD board the interest of the county board in this manner.

Bolce's and Tanner's remarks about the San Pablo Reservoir area coincided with a similar statement by John W. McFarland, EBMUD general manager.

"OUR PLAN to offer this land for future sale to any purchaser, public or private who could meet the sewerage requirements, was announced nearly a year ago," McFarland stated. "We have received no inquiries from any public agency to date, and it appears that no city, county, district or state body is anxious to negotiate for the property."

McFarland pointed out that the East Bay Regional Park District has stated that it is not able to buy the property. He said the utility district understood that the State Division of Beaches and Parks has not indicated interest in this site, and felt that Contra Costa County was not in a position to buy the land because it had just purchased a 1430-acre site from EBMUD for park development.

"Throughout the years the EBMUD has been very conscious of its obligation to the community both in the disposition of surplus land and the acquisition of land necessary to insure a good water system," McFarland continued.

"TILDEN REGIONAL Park is almost entirely former EBMUD property. We made available to the Regional Park District a total of 2140 acres for Tilden Park. They later acquired from EBMUD another 1100 acres, including the Temescal and Roundtop park properties.

More recently the Regional Park system obtained from the utility district all of the area known as Grass Valley, which is south of Redwood Canyon. These later acquisitions totalled another 3200 acres. Including the 1430-acre Briones park sale to Contra Costa County we have sold nearly 8000 acres of property to public agencies for park use."

The 6500 acres surrounding San Pablo Reservoir comprise the most recent watershed property to be declared surplus to utility district needs, McFarland said.

300 Attend Oriole Party

Under the presidency of Marian Thompson, the Orinda Orioles launched their new year with a fall party last Saturday at the president's Glorietta Boulevard home for the benefit of the Mt. Diablo Therapy Center.

Some 300 persons attended the affair.

Taking office along with Jean Harding, corresponding secretary, in whose Grizzly Peak home the September meeting was held were Vice-President Hilja Case, Recording Secretary Dorothy Fowler and Treasurer Rene Kennedy.

Ways and Means will be headed by chairman Bea Stringer, and in charge of the publicity is Marie Monahan.

Members are currently engaged in handicrafts and homemade articles under the chairmanship of Pat Sergeant, who is serving as representative to the Mt. Diablo Therapy Center, Gift Box, the boutique in the Broadway Shopping Center, which opens soon for delightful Christmas shopping, with wares donated by all therapy units.

The October meeting of the Orioles will be held Wednesday at the home of the president, 201 Glorietta Boulevard.

Commuters Will Elect Officers

The annual meeting of the Contra Costa County Commuters Association will be held at 8 p.m. Tuesday at Acalanes High School, Room 206, for the purpose of electing officers and directors.

Two speakers will discuss issues of importance.

The speakers, both directors of the Alameda-Contra Costa Transit District, are Colonel Robert M. Copeland, director at large, and Robert K. Barber, vice-president and directors, Ward I.

President Richard Tiedman states: "This is one of the most important meetings of the year, and the association urges all members to attend and participate in action on the many significant issues important to all commuters."

Improvers Hold Social Affair

The annual get acquainted party of the Glorietta Improvement Association was September 21 at the home of Mr. and Mrs. Ted Harrer, Seven Oaks Circle, Orinda.

One hundred and eighty members and guests enjoyed the dinner arranged for by Mr. and Mrs. W. Neill Porter. Robert Grant was in charge of refreshments and James Thomas-Stahle of financial arrangements.

Dancing on the outdoor patios as well as under cover adjacent to the indoor pool concluded the evening.

Pack 52

Orinda Cub Pack 52 will hold its first Pack meeting Tuesday at 7:30 p.m. in the All Purpose Room at Miramonte High School. Due to the increase in number of Cub Pack 52 divided again and the present Pack Committee consists of the following people:

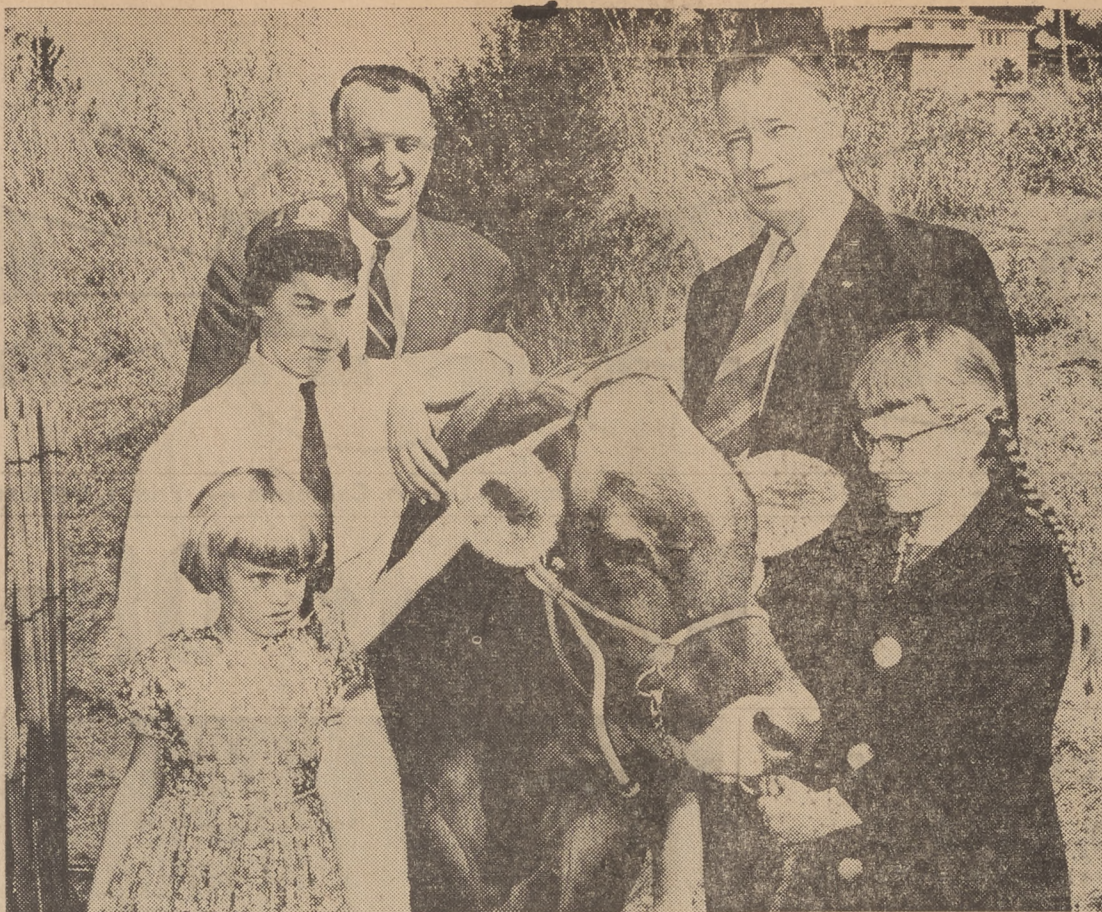

Cubmaster—Mr. T. F. Kling; Assistant Cubmasters, Mr. T. C. Kallam, Mr. W. P. Foley; Institutional Representative, Mr. Earl Lawver; Committeemen, Mr. K. R. Hoffman, Mr. George Linehan; Membership, Mr. George Arkelian; Treasurer, Mrs. B. D. Merriam; Secretary, Mrs. Frank Gimbel; Den Mother Advisor, Mrs. Peter Joralemon; Craft Advisor, Mrs. Robert Reynolds; Awards Chairman, Mrs. Earl Lawver.

At present there are four Dens in the Pack and plenty of room for new Cubs. If information is desired concerning this group call Arkelian or Mrs. Joralemon.

Sleepy Hollow Pool Party to Be Sunday

Final activity for 1957 of the Sleepy Hollow Recreation Association will be a gathering for cocktails at the Sleepy Hollow Pool on Sunday, from 3 to 6 p.m.

The event will culminate the third year as a board member for Cecil Cantrell, who with his wife, Gen, is chairman of the affair.

HEIFER PROJECT, Inc., is supported by the World Service Committee of the Orinda Community Church. Aim of the project is the sending of needed farm animals to lands where large populations are hungry. An exhibit of typical animals at the church parking lot last Sunday coincided with the start of a two-week fund drive for the project. Among those present were, left to right, Patty Pruden, Susan Baer, 4-H Club member who owns the cow in this picture; Sydney Anderson, chairman of the church's World Service Committee; Susan's Swiss Brown cow, named Panizza Superior Marietta Mag; Allan Grant, farm leader and owner of a large dairy at Visalia, who talked at the church school last Sunday on his experiences in taking a shipment of heifer calves to Japan a few years ago for the Heifer Project, Inc., and Beatrice Anderson, who appears to be whispering something to the cow.

Car Owners Urged To Complete Road Questionnaires

"Every car owner easily becomes a full partner in highway planning when he completes his Plan-Your-Highways Questionnaire," Victor W. Sauer, Public Works Director, said today. He was explaining how the questionnaire is filled out.

"The questionnaires are the heart of the all-out road study being sponsored jointly by Contra Costa County, the Cities in the County, and the State Division of Highways," Sauer stated.

"In the example, Mrs. Motorist leaves her home near Hamlin Road and Moraga Road in Lafayette to go to 17th and Broadway in Oakland where she parks during the day while at work.

"On her way home from work, she stops near the corner of Mount Diablo Boulevard at Moraga Road for shopping. Then she returns home. That evening she attends a movie near Rheem Boulevard and Moraga Road and her last trip of the day is to her home at Hamlin and Moraga Roads."

"It is important to return the questionnaire even if no trips are made. Just write 'None' on the card," Sauer said.

The response to the questionnaire is essential to the success of the road study, Sauer indicated, and he requested the cooperation of all car owners in promptly returning the cards.

Mothers Club Drive Ending; Dues Are \$1

The annual Orinda Mothers Club membership drive was held this week.

Membership dues are \$1 per family, regardless of the number of children, according to Mrs. L. J. Block, membership chairman. She said in a recent letter, "Your membership contribution can be the most important single dollar you will spend this year as far as your child's welfare is concerned."

"Your membership and your support of the Mothers' Club in all its activities throughout the school year make it possible for our children to have many 'necessary luxuries' not included in the budget for our school district. A gift of one thousand dollars has just been given by the Mothers' Club for the year 1956-57 to the trustees of the school board to purchase just such necessary luxuries," she said.

"These include two record players each to Orinda, Glorietta, Del Rey and Sleepy Hollow Schools for audio-visual work; to Glorietta a microphone to replace the mike that finally had seen its day; to Pine Grove a cello which, because of its size, is difficult for students to transport from home. For the Music Department a tape recorder to be used at all the schools; for the Physical Education Department a record player to be used at all schools for folk-dancing and the May Festivals.

"In previous years Mothers' Club has paid for landscaping, a piano, stage curtains at Orinda, encyclopedias, hundreds of library books, playground equipment, records, tables and benches for lunch purposes at Del Rey and Sleepy Hollow and science equipment," Mrs. Block said.

Langley Brookes is Chi Omega Pledge

Langley Brookes, a graduate of Anna Head school, was pledged to Chi Omega, a sorority on the campus of Willamette University in Salem, at the close of rush, Friday night.

Langley is the daughter of Valentine Brookes of 7 Sycamore Road in Orinda and is majoring in Fine Arts.

City Vote To Be Continued Oct. 23

(Continued from Page 1)

held at Fair Oaks School, Pleasant Hill.

4. PUBLIC SAFETY.—Chairman James Moriarty reported on the present fire insurance rating, which is the result of the efficient fire district. He also discussed methods of police protection other than a local police department—contracting with the sheriff's office or with a private watch patrol.

5. Planning, Zoning, Esthetics and Recreation.—Chairman Ralph Hall (who is also chairman of the Orinda Association's Civic Affairs Committee) reported on the present methods of the county; points included method, cost, citizens' right of appeal, present plans, use of available county facilities if Orinda incorporates, and advantages and disadvantages of the county system of planning and zoning.

Then Hall discussed possible methods of planning and zoning under incorporation, and the advantages and disadvantages involved in such a setup.

Informal Group Will Discuss Mankind's Ways

Felix F. Stumpf and Julian J. Newton, both of Berkeley, will lead an informal discussion group in Orinda in "The Ways of Mankind," beginning Wednesday, October 16, at 8 p.m., in the library of Miramonte High School.

Offered by University of California Extension in cooperation with the American Foundation for Political Education, the fund for Adult Education and Contra Costa Junior College, the two-hour weekly meetings are designed to stimulate discussion among adults with similar interests.

Stumpf and Newton will guide participants through prescribed readings received at the time of enrollment, and a number of specially prepared recordings will be played.

A college education is not necessary for enrollment since discussion stems primarily from the readings and the recordings. Registration forms and further information may be obtained by writing to University Extension, University of California, 2441 Bancroft Way, Berkeley 4, Calif.

50 Miramonte Students Make Honor Society

Fifty Miramonte students have qualified for the school's Honor M Society. During the spring semester these students had to receive at least three A's and three B's in order to achieve this rating.

Those students who qualified for the first time are Robert Bole, Ron Brown, Joan Hoyer, Mike Rugg, Linda Schelling, Ruth Thompson and Bob Welch.

The students who have again achieved the scholastic ranking necessary to continue their membership in the honor society include Victoria Adams, Babette Ambler, Caryn Anderson, Michele Angelo, Joan Bauslaugh, Hilary Brown, Bill Brown, Bicky Clifford, Bill Cline, Dana Cook, Marilyn Cook, David Dail, Doug Federighi, Julia Hendrickson, Sue Henry, Judy Hopkins, Milton Howe, Noel Jones, Norita Jones, Ronalee Klinkner, Carol Knudsen, Linda Lanioue, Carol Lastrucci, Peter Lewis, Suzanne Lindsay, Jean McMillen, Doug Moorehead, Bob Newman, Allan Nilmeier, Arilla Osborn, Ed Owen, Pat Quinn, Joan Robinson, Terry Schaffer, Pat Simmons, Sally Spott, Barbara Stern, Sheryl Studley, Eric Walling, Kathy White, Burley Willes, Mike Wilmar and Randy Young.

Smog Laws Take Effect In Bay Area

Officials of the Bay Area Air Pollution Control District had nothing but praise this past week for residents of the Bay Area as Regulation 1 banning open burning went into effect.

Open burning is still in effect in eastern Contra Costa until dump facilities are completed near Antioch. The cut and fill method will be adopted for Contra Costa garbage disposal in the near future.

Local fire districts have been flooded with calls from homeowners who were told they could still burn in backyard incinerators providing they have a permit from local fire departments and comply with burning regulations.

Only one major complaint was filed against the new burning laws and that was in San Francisco. The fire chief there will enforce the bans even though there is a temporary court order restraining him from doing so.

Alameda county was clear of all open burning Monday at midnight. All burning permits there were voided. Military facilities are not covered by the ban, but commanders said they would do their best to comply.

Benjamin Linsky, smog control officer, said the air was clear over the entire Bay Area due to a combination of sea breezes and reduction in open burning. Smog readings in Oakland this week reached a high of 11.

Smog does not become noticeable until the count reaches .13 parts of oxidants per million parts of air. A reading of .26 makes the eyes smart.

Santa Clara County was reported as the only county in the district completely clean of open burning. Marin and San Mateo Counties have been granted permits for open burning pending construction of new trash facilities.

Newcomers' Club Will Meet Oct. 16

A Newcomers' Club is being organized in Orinda. A coffee gathering is planned for Wednesday, October 16, at 10 a.m. at the home of Mrs. James Nichol, 10 Ardor Drive, Orinda.

If you are interested in meeting other newcomers of Orinda, call Mrs. J. J. Gannon of 40 Ardor Drive or Mrs. J. W. Bishop of 8 La Sombra Court.

Architects' Plans Being Made for Orinda Library

Preliminary architectural plans for the new Orinda Library building, to be built at Orinda Highway and Irwin Way, are under way.

This was announced at the recent annual general membership meeting of the Orinda Library Board by Perc S. Brown, newly chosen president of the board of directors.

At the meeting, held September 12 at the home of Dr. Lloyd Farrar, outgoing president, a contract for designing of the new building was signed with Atiken and Collin, Berkeley architects.

THE SEVEN DIRECTORS of the Library Board were reelected at the meeting.

Following the resignation of Dr. Farrar as president, Brown was named president of the board.

Other officers are: vice-president, Mrs. John Madison; secretary, Mrs. W. E. Estes; treasurer, George Hartzell; representatives-at-large, Mrs. Clinton V. Scarich and Mrs. Edmund F. Wilford.

THE BUILDING COMMITTEE, comprising George Hauerken, chairman; William Penn Mott, Kenneth Courtright, Bob Walpole and Brown had invited architects to submit proposals.

"Careful consideration, written and oral, was given the architectural aspirants," stated Brown. Ernest E. I. Spiegel reviewed the contract from a legal standpoint. Representatives to the Orinda Library Board who were present at the meeting were:

Mrs. Abraham Yedidia, Orinda Mothers Club; Mrs. Fred Rust, Orinda Community Church Guild; Mrs. J. E. Dorn, Orinda High School Mothers Club; Mrs. C. W. Gravelle, Sleepy Hollow Book Review Club; Mrs. John Gilbert, Orinda Estates Improvement Association; Mrs. Sara Malinowski, Orinda Branch librarian; Mrs. E. A. Dawson and Bob Walpole, Orinda Association.

Orinda Mothers Slate Meeting

First fall meeting of the Orinda High School Mothers Club for all mothers of high school students living in Orinda will be 12:30 p.m. Monday at the home of Mrs. I. M. Harrer, Seven Oaks Circle, in Orinda.

The deans of Acalanes and Miramonte will discuss "Programming for the future, fellowship and college requirements." Present will be Alex Winchester and Miss Vera Richardson from Acalanes and William Ross and Miss Naomi Giddings from Miramonte.

Refreshments will be served at the start of the meeting, according to Mrs. Ralph Glass, president.

Officers of the club for the 1957-58 school year include Mrs. Glass, president; Mrs. Everett Howe, vice-president; Mrs. Boone Robinson, corresponding secretary; Mrs. Richard Leland, recording secretary; Mrs. J. Davis Romaine, treasurer.

Appointed officers include: Mrs. Stanley Thompson and Mrs. Fred Fowler, program chairmen; Mrs. David Puddy and Mrs. Vernon Frederickson, hospitality; Mrs. A. S. Hartanov, civic affairs; Mrs. Peter Saputo, recreation; and Mrs. Kenneth Brown, publicity.

Dues are \$1 a year and provide a scholarship for a graduating senior from Orinda in the field of fine arts.

Here's How Co-op Works; Patronage is Key Factor

While the Co-op is a new idea to this area, it is an old institution in Berkeley, where one of every eight homes has a Co-op member in it.

In the Lafayette to Concord region, there are 300 member-families. Each family owns shares, anywhere from one to a thousand. Shares are \$5 each and can be purchased in any amount at any time.

Each member has one vote in the affairs of the corporation, regardless of the number of shares he holds. Dividends of 4 per cent are paid on all share accounts of \$50 or more.

INVESTMENT is not given primary emphasis, however. Patronage is the important thing. Members are expected to patronize the Co-op facilities, paying competitive prices prevailing in the community. Purchases are identified by writing membership numbers on cash register stubs.

At the end of the year, all earnings after share dividends, reserves and income taxes are paid back in proportion to purchases. These are called patronage refunds.

During the past 10 years, the refund rate has varied between 1 per cent and 4 per cent of total purchases, with an average of 2 1/2 per cent.

CO-OP FACILITIES are open to the general public and everyone is welcome. The same low shelf-prices apply to member and non-members alike. Only members, however, receive patronage refund. Non-members may shop and save their tags until they decide to join and then turn them in for refund credit.

Members run the cooperative organization through an elected board of directors. These nine directors serve without compensation and meet at least monthly to hear reports from management to consider new policy questions. One-third of them are elected each year, along with three alternates who serve one-year terms.

President of the board of directors this year is Tauno Ahonen, a Finnish leader in Berkeley. Recent past presidents have included a professor of economics at the University of California and an Oakland attorney.

Serving on the board this year is Dave Bortin, Concord attorney. IN ADDITION to the directors, there are a number of committees made up of volunteer members.

These are finance, management, personnel, member relations and public relations. Numerous subcommittees for special activities include new member welcoming parties, neighborhood discussion groups and arts and crafts.

Participation by members is constantly encouraged. A VERY SPECIAL committee in the organization is made up solely of members living in the

while Mrs. Allen Nugent takes Emily Andrews, Mary Lou Nugent and Marne Andrews to a play table prior to shopping in the ultra modern Co-op.

Board Stresses Economy In Tice Valley HS Plans

"Economy and utility" are to be the "bywords" in the construction of the new Tice Valley school, according to the Acalanes District trustees, who met September 26 with Stanford Education consultants and district architects John

Lyon Reid and Partners to lay the groundwork for the new school.

The meeting was at Acalanes High School.

Trustee William Freeman suggested that the comprehensive study of education facilities for the new school conducted by Stanford consultants "might have overshot the mark as far as pegging the amount of money the district will be able to spend" on the Tice Valley school.

TRUSTEES QUESTIONED recommendations in the Stanford study "in the light of economies that must have been held in mind in past, current and future district planning."

On the basis of queries by trustees into any possible savings that might be derived from metal construction, a study on the feasibility of greater use of metals will be undertaken by the district architect.

In the light of their determination to build economically, trustees questioned both the Stanford consultants and the architects on advisability of extended cafeteria facilities, full stage equipped gymnasium, exercise rooms for physical education classes, portable partitions for easy, inexpensive adjustment of classrooms to changing curriculum requirements, classroom footage, installation of basic utilities and other expensive items.

IN SUMMING UP the discussion, Trustee President Will C. Hall stated that: "As an important economy in planning, the Tice Valley school plan should serve as a basic plan for future district construction. We are interested in building a school in which every facility is analyzed from the viewpoint of its economy and its use in educating the student."

"District construction costs in the past have generally been below state averages. The original Acalanes High campus was a pioneer development in functional, lower-cost school plant design."

THE BOARD INTENDS to continue its policy in that future district schools will reflect the best design and utility at the lowest cost possible."

Continued discussion among Stanford consultants, trustees and the architect is planned as the design of the new school "continues to jell."

The Tice Valley school is scheduled to open to a freshman class in the fall of 1959.

Baldwin Attains Voting Record

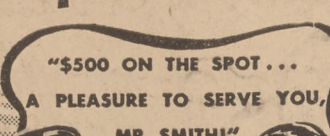

The latest issue of Congressional Quarterly, dated September 20, states that Congressman John F. Baldwin was the only Congressman from the state of California who voted on every "yes" and "nay" recorded roll call in both the 84th Congress and the first session of the 85th Congress, which represents a period of three years. Baldwin is the only one of the 30 California Representatives to have a 100 per cent voting record over this period of time.

Congressional Quarterly further reported that only 10 other Congressmen out of the 435 Members of the House of Representatives in the entire nation had a 100 per cent voting record during this period.

Baldwin's record is a tribute to his consistent voting record over this period of time. In process of construction is a service station which will carry Texaco petroleum products.

Photo Contest At New Co-op Has Big Appeal

The photo contest in connection with the opening of the new Consumers Cooperative at 1510 Geary Road, between Walnut Creek and Pleasant Hill, is of special interest to shutterbugs of all ages, amateur or professional.

Pictures taken during the Open House and Grand Opening to illustrate the theme "Meaning of the Cooperative Spirit" will be eligible.

Over \$200 in prizes will be awarded, and a display of photos will be exhibited for a full week following judging.

JUDGING for the photo contest will be Antonio Cretusa, president of the Walnut Creek Chamber of Commerce; Ted Gurney, Walnut Creek photographer; Mrs. Marian Love of the Diablo Art Association; Bob Newcomb, local photographer and newspaper reporter; Mort Blake, proprietor of the Photo Center in Walnut Creek; and Harry White, Orinda photographer.

Grand Opening prizes will include a choice of such things as a Hi-Fi set, a tape recorder, a set of backyard furniture and barbecue equipment, a set of camping equipment complete with tent, air mattress, sleeping bags, stove, and lamp; a washer, dryer, refrigerator, range or TV set.

SECOND and third prizes will include choice of bicycle, drill set, binoculars and variety of home appliances.

In addition, 100 bushel baskets of groceries will be given to persons whose names are drawn.

Local Members Of DAR Attend French Ceremony

Robert Luc, consul general of France, addressed the Northern Council, Daughters of the American Revolution, at a luncheon at the Villa Hotel, San Mateo, Sept. 27. He spoke in honor of the 200th anniversary of the birth of the Marquis de Lafayette.

Representatives of Acalanes Chapter who attended were: Regent Mrs. Charles G. Smith; Mrs. Bradshaw Harrison, Orinda; Mrs. Harvey B. Lyon, Oakland; Mrs. W. R. Chambers, Mrs. James Meddaugh, Mrs. Roy Heffner, Lafayette; Mrs. James R. Box, Concord.

Adult Classes Are Still Open

In spite of a record-breaking enrollment in classes offered by the Acalanes Adult Center, there are still some openings in classes being offered for this fall quarter.

Braided Rugs has openings in both day sections held on Thursdays in the Walnut Creek Veterans Memorial Building and Fridays in the Walnut Creek Recreation Center.

Child and Adolescent Guidance under Dr. Edith Bryan will also accept late comers to this important parent education course," it is stated by A. D. Dambacher, director of the adult program. This class is held at the Walnut Creek Veterans Memorial Building on Tuesdays, 9:30-11:30 a.m.

An intermediate Folk Dancing class, under the direction of Glenn and Reva Ward, is being offered on Wednesday evenings at Acalanes from 8 until 10 o'clock. Registration is still open.

LOOKING OVER PHOTOGRAPHS for possible carrying out of theme ideas and competition for the photography contest for children and adults to be held in conjunction with Grand Opening Days of the Walnut Creek Co-op are the contest chairman and advisory board members. Left to right are Jack Kerstetter of Danville, contest chairman; Claire Jonas, Mrs. George Jonas of Lafayette and Robert Leffman of Pleasant Hill, chairman of the advisory board. The opening days will be from next Wednesday through Saturday, October 5.

Health Dept. Now Operating In New Home

The Contra Costa County Health Department began operations in its new building at 1111 Ward Street at Pine in Martinez, recently. The modern, three-story structure took more than a year to complete and was financed through County, State and Federal funds.

The Health Department headquarters is air conditioned and has movable partitions in the interior to permit several of the larger offices to be converted into large meeting rooms.

For the first all of the administrative offices, vital registration, tuberculosis control, the laboratory and the sanitation division will be housed in the same building.

The laboratory is the only division not yet occupying its new quarters. It is expected to move from its Richmond City Hall headquarters early in October. When the move is completed, the Health Department building will house more than sixty employees.

The public will have an opportunity to tour the new building and to get first-hand information on Health Department activities during a four-day Health Fair and open house, beginning with dedication ceremonies on Tuesday, October 8, and continuing through Friday, October 11. More than a dozen official and voluntary agencies will present exhibits and other health educational materials during the fair.

Consumer Co-op Gala Opening Days Under Way

This week the Consumers Cooperative of Berkeley is celebrating the opening of its new, spacious, modern shopping center at 1510 Geary Road, between Walnut Creek and Pleasant Hill.

Many exciting activities have been planned by a special grand opening committee made up of residents of Central Contra Costa communities who are members of the cooperative organization.

OPEN HOUSE was on Wednesday from 6 to 10 p.m. Next are three big days of Grand Opening Sales from 9 a.m. to 9 p.m., yesterday, today and tomorrow.

During the Open House, no merchandise was sold. There were hostesses, refreshments, program for both pre-school and school age children, exhibits, chances for grand opening prizes, and information tables to explain how the Co-op works.

Unusually attractive specials are featured during the Grand Opening Days in groceries, meats, produce, frozen foods and hardware variety. There are free gifts for the ladies, balloons for the kiddies, pony rides, between 10 a.m. and 2 p.m. and additional chances for grand opening prizes.

HEADING UP arrangements for the program is Mrs. Percy Jennings of Lafayette.

Assisting her are Mrs. Alan Howe of Walnut Creek for hospitality and information; Mrs. Philip Freeman of Alamo for refreshments; Mrs. George Jonas of Lafayette for patio decoration, assisted by Mr. and Mrs. James Walsh of Concord and Dr. Donald K. Fisher of Pleasant Hill, Jack Kerstetter of Danville for the photo contest.

Local YMCA Announces Contest for New Name

What will be the new name of the YMCA in this area? Lots of youngsters and adults alike or asking that question in the Central Contra Costa County area, but nobody knows the answer yet.

On January 1, 1958, the present organization will become independent, and as a result, needs a name. So a contest has been organized to let the people of the area name their own YMCA.

Chairman of the contest committee is Emmett Meyers of Concord, assisted by the Reverend Robert Varblow of Walnut Creek and Charles Kersten of Orinda. THE CONTEST will close October 18 when judges A. W. Elkington of Orinda, Roy Condeff, Walnut Creek and But Stout of Concord will consider the entries.

First prize, according to Meyers is a campership at Camp Gualala for one, or \$35. Second and third prizes are a day campership or \$20 each.

Go to Church Sunday

Episcopal

Holy Communion will be celebrated at all services on the first Sunday in October, at 8:30 and 11 a.m., in St. Stephen's Episcopal church on Via Las Cruces and St. Stephen's Way in Orinda. The Rev. Albert Lucas will be assisted by the Rev. Andrew Daughters of Pasco, Wash. on his second Sunday in this parish.

Full teams of six acolytes each will serve at the two later rites, according to Mrs. George McCormack, acolyte mother for St. Stephen's.

Under the direction of Sidney H. Smyth of Valencia Road, Orinda, 18 young men from the age of 12 to 18 volunteer their services each Sunday to assist Mr. Lucas or any visiting clergy.

Divided into three rotating teams, the first group will attend the 9:15 service; the second, the 11 o'clock, with the third team standing available as substitutes. Lynn Hill, a senior at Acalanes High School, is assistant acolyte master, the three team captains being Stuart White, Jim Gilwee and Mike Smyth.

Team 1 comprises Scott McFarland, lieutenant; Bob Bignami, Jim Effinger, Greg DeWitt and Steve Miller. Team 2: Alan Hill, lieutenant; Tom Ballard, Tony Roegier, Tom Hutton and Dave Deubner. Team 3: Gordon Hightower, lieutenant; Bob McCormack, Tom Easterbrook, Larry Hunn and Richard Vivrette.

Boys who are 12 years of age or older, who have been confirmed, who may be interested in joining the reserve list of St. Stephen's acolytes, are asked to contact Sidney Smyth of Mrs. George McCormack.

Methodist

Lafayette Community Methodist Church, 955 Moraga Road, church school and adult Bible class at 9:30 Sunday. Dwight Birch is general superintendent, and there are classes for all age groups.

Worldwide Holy Communion will be observed Sunday at both services; the Rev. Henry Page White will preach at both services; he will be assisted in the administration of the sacraments at 11 o'clock by Bishop George A. Miller, D.D., pastor emeritus of this church.

The Methodist Youth Fellowship meets at the Church at 7 p.m. Sunday.

Monday at 8 p.m. the Official Board will meet in the church lounge. Frank Westfall is chairman of the board. This meeting will be preceded by a meeting of the Board of Trustees at 7:30 p.m. Andy Steele is chairman of the Board of Trustees.

Thursday at 6:30 p.m. the youth choir rehearsal will be held; at 8 p.m. the adult choir rehearsal will be held.

A joint meeting of Men's Clubs of the Methodist Churches will be held in Concord tomorrow. Benefits will go to the Finch Home. Mr. White has tickets.

Covenant

Lafayette Covenant Church, Brook Street and Moraga Road, Lafayette:

The Rev. and Mrs. Orville Davis and family, missionaries from the Belgian Congo, will be guest speakers at both the Sunday school and morning worship services next Sunday.

The Sunday school has a part in supporting the Davis' son, Orville Jr.

The Sunday school contest is still on. Each member is asked to bring a friend and be on time. The Blue side is ahead in the contest so far.

Sunday school, 9:45 a.m. for all ages. Morning worship, 11 a.m., and Communion Service and receiving of new members, Sunday.

Junior high, senior high and Ch. Bho, 6 p.m. Sunday.

Evening service, 7 p.m. Sunday, the Rev. Algoth Olson.

Monday, Boy Scout troop meeting, 7:30 p.m.

Tuesday, Women's sewing meeting, 10:30 a.m.

Wednesday, Prayer meeting and quarterly business meeting.

Congregational

The Rev. Chauncey Blossom will preach on "Our World Communion" at the 9:30 and 11 o'clock services on Sunday morning at the Orinda Community Church. (Congregational). Special music will be presented by the Chancel Choir.

Church school for 3-year-olds through the eighth grade will be held at 9:30 and 11 a.m.; nursery care at 11 o'clock.

A Youth Forum, under the leadership of Rudy Monosmith and Jack Biersdorf, will meet at 11 o'clock in the Livingstone Room. This will be for the high school age group.

Muriel Marshall James, who has served as director of education for the past year, will be ordained to the ministry and installed as minister of education at the Orinda Community Church on October 9.

Participating in the ordination service will be ministers of three denominations: the Rev. Chauncey Blossom, Dr. William David Pratt and Dr. Harland Hogue, Congregational; Dr. John Haisell and the Rev. Dale Cooper, Presbyterian; Dr. Robert Rodenmayer and the Rev. Greer Taylor, Episcopal.

Presbyterian

Communion will be served on Sunday at the Lafayette-Orinda Presbyterian Church and Rev. Carl Thomas' Communion Meditation will be "Did Jesus Have to Die?" Duplicate worship services are held at the Park Theater, Lafayette, at 9:30 and 11 a.m.

Sunday evening's meeting, which is held at the Veterans Memorial Building in Lafayette at 7:45, includes a song service led by Leonard Weeks and a continuation of Mr. Thomas' series on Moses entitled "The Conflict of the Ages."

A new Men's Luncheon Bible Class begins next Tuesday at noon at the Robin Hood Inn in Oakland.

The Wednesday night "Let's Face It" Bible discussion for men continues at the home of Don Brownlee, 1008 Upper Happy Valley Road, Lafayette, at 8 o'clock.

Bible classes are held during the week at various times and locations for women. Call the church office for information in this regard.

Nursery is held for babies up to 3 at the home of Mrs. Ellen Brians, 1030 Brown Avenue, Lafayette, during the morning worship services on Sunday. Church school is held at both 9:30 and 11 at Lafayette Town Hall and the Veterans Memorial Building, Lafayette.

At the High School Fellowship meeting Sunday night an elder in the church will discuss "The Meaning of the Lord's Supper." This is held at 6:30 at the Veterans Memorial Building, Lafayette, as is the Junior High meeting.

On the weekend of October 12-13 there will be a family conference at Mount Hermon, near Santa Cruz.

Episcopal

The services for Sunday at St. Paul's Episcopal Church, Walnut Creek, will be: 8 a.m., Holy Communion; 9 a.m., morning prayer and sermon by the rector, the Rev. Wilfred H. Hodgkin; 11 a.m., Holy Communion and sermon by the curate, Mr. Robert Tau; 5 p.m., evening prayer conducted by Mr. Garret Conklin, seminarian.

A special parish meeting will be held tonight at 8 o'clock for the selection of lay delegates to the forthcoming Diocesan Convention to be held on February 4 and 5, 1958.

At that time a Bishop Coadjutor for the Diocese of California will be elected. The newly elected Bishop will succeed the Rt. Rev. Karl Morgan Block upon his retirement in December, 1958.

St. Jane Francis Guild will meet Tuesday at 10 a.m. for a luncheon meeting at the home of Mrs. Richard S. Dole, 2824 Eccles Avenue, Walnut Creek.

PET PARADE at Clark's Market in Rheem Center was a gala event last Saturday, as attested, by Laurie Hupp with her dog, Sea Dog Rex, at left, and Carl Thurston with her dog, Taj. And if you believe in signs, you can see that Sea Dog Rex "has a girl in every port." This sort of high-spirited fun is just an inkling of the enjoyment ahead at the big Third Anniversary celebration of Rheem Center October 16 through 19. —Sun photo by Mattson

Lutheran

"The King's Table," will be the sermon theme of the Rev. Merle O. Tollefson of Our Saviour's Lutheran Church, 1035 Carol Lane, Lafayette, at the 8:15 and 11 a.m. services Sunday. Holy Communion will be celebrated at both services. A nursery is available during the 11 a.m. service.

Sunday School classes meet at 9:30 a.m. for pre-school through adult Bible class, and at 11 a.m. for pre-school through grade 3.

Tuesday at noon the Women's Missionary Federation will meet at the church for a luncheon. An interesting program is being planned, and a baby-sitter will be available.

Wednesday evening at 8 the Midweek Bible Study will meet at the home of Mrs. Don Kesselring, 3796 Happy Valley Road, Lafayette.

Women's Study Group will meet Thursday morning at 10 at the church. The Junior Choir will meet Thursday at 7, and the Senior Choir at 8 o'clock.

Saturday at 10 a.m. the junior and senior confirmation classes will meet.

Lutheran

"Life Returned" will be the sermon topic of Pastor Albert S. Hidy at the Shepherd of the Valley Lutheran Church in Orinda.

Communion service will be held at 8 and 11 a.m. New members will be received into the congregation at the 11 a.m. service.

Sunday school convenes at 9:30 a.m.

Confirmation classes begin Saturday with the seniors meeting at 9 a.m. at the church and the juniors at 10 a.m. All youth in the seventh grade or older are invited to attend if they have not attended any previous confirmation class.

Thursday the junior choir will practice at 6:30, and the senior choir at 8 o'clock.

Baptist

Sunday morning in the Orinda Willows Banquet room at 9:30 and 11 a.m., Sunday School and the morning worship service will be held, respectively, by the First Baptist Church of Orinda.

Sunday school provides Bible instruction for all ages up to and including adults.

The morning service will be conducted by Pastor Bruce H. Parker with a message entitled "Segregation after Death."

There will be a special vibratory prelude for those attending early.

The evening meetings will be held at 2 Crest View Drive, Orinda, at 6:30 and 7:30.

The youth meeting will be conducted by Roger Moore and will feature a panel on teenage problems.

The evening service will be an informal meeting of the "Community Sing" type and will conclude with a short devotional by the pastor, "Calculated Living."

Around Acalanes...

By ELLIE HILMER

IT'S LEAGUE TIME!

League football play starts tonight for Acalanes when the Dons take on the Antioch Panthers on the Dons' home field. Game time is 8 o'clock!

Dramatic activities for the senior class are already under way with the first tryouts for the senior play, "The Man Who Came to Dinner."

More than 75 seniors have signed up for acting parts, and an additional 50 have put in their bids to work backstage as crew members. Sixty girls are auditioning for nine roles, while there are many fewer boys trying for the 19 available parts.

Casting will be completed next week, at which time the crew will also be announced.

The finished production can be seen on November 2 and 23 in the Acalanes gym.

National Merit Scholarship Tests, given each year to the academic top 5 per cent of senior students across the country, will be taken by 19 Acalanes seniors October 22.

Eligible for the tests are Anna Oldano, Gail Sorem, Ellie Hilmer, Ann Munroe, Phil Branch, Troy

Beretta, Bill Shurtliff, Linda Larson, Lou Smith, Lucy Christiansen, Joan Nordstrom, Joan Haele, Joan Hammarburg, Sue Flint, JoAnn Musante, Libby Balchey, Carolyn Bell, Pat Sierker and Alice Woolf.

At a recent meeting the Don Student Council took up the subject of rewriting the Don Handbook, the guide to all campus activities, classes and regulations.

Many council members pointed out that the arrangement of the book was misleading and that requirements for club membership as stated and in practice differed considerably.

A committee has been established to clear up the confusion by writing an up-to-date report on club activities and purposes.

REAL TEACHING

The Acalanes Education Club, for students interested in going into teaching as a career, is giving its senior members an opportunity for actual teaching experience.

They will act as assistants to the teachers at nearby Springhill Elementary School in Lafayette, really seeing a classroom in action from the instructor's point of view.

Heidi Meeting, Fashion Show Both Next Week

Heidi Chapter of the Children's Home Society will meet Tuesday at the home of Mrs. G. C. Coffee, Los Arabis Road, Lafayette. Co-hostesses will be Mesdames R. G. Falk, Allen Seibert and J. D. Bauer. Desert will be served at 12:30, followed by a business meeting.

Mrs. Fred Costello, party chairman, will report on the fall luncheon and fashion show which will take place next Thursday at the Castlewood Country Club.

This year's show, titled "Tis Autumn," will be the ninth annual affair for the benefit of the Children's Home Society, statewide adoption agency. Marilyn Wissing will commentate the show, and Little Janet Hicks as Heidi will lead the models.

Baptist

First Baptist Church of Lafayette, 3653 Mt. Diablo Boulevard, Lafayette:

Sunday school classes for all ages will begin at 10 a.m. Sunday.

The morning worship hour on Sunday will commence at 11 a.m. The message will be entitled "Scattered Saints."

Evening Fellowship hour is scheduled for 7 p.m. Sunday. This will be an informal service of singing and scriptural preaching.

There will be a prayer service at 7:30 Wednesday evening.

Leadership Club

Elects Officers

Out of a field of 26 candidates for officers of the Lafayette School of Leadership Club, Nicky McConaughy was elected president, Harry Curtiss, vice-president; Susan Cardinet, secretary, and Frank Colwell, treasurer.

Moraga Club Still Wants One Town Called Moraga

The Moraga Valley Community Club unanimously voted last Friday night that "people of all sections of the community want a single area named Moraga," according to Captain Harold Parker, new president.

Representative John Baldwin will meet at 9 a.m. next Friday with representatives of the club and representatives of the Rheem Center Merchants Association to try and iron out the long standing argument of a Rheem Post office and Moraga Post Office.

Main discussion will be the merger of the Rheem Post office and Moraga Post office into a single unit. Baldwin has stated he is reluctant to give a snap recommendation on the problem without first inspecting the situation.

In other business the community club elected new officers for the year. They are: Parker, president; Dudley Davis, vice president; Mrs. Eva Thune, secretary; and Mrs. Elsie Falconer, treasurer.

Retiring officers, who will continue on the club's board of directors, are Jack Winther, Dr. Eldon Nickel, Mrs. Florence Huff and Mrs. Sarah Glasky.

Capt. Parker, stressing his observation is a personal opinion only, observed the Moraga-Rheem post office controversy is a "Little Rock" in reverse.

"There, the Federal Government is trying to compel integration. Here, the federal post office department is trying to disintegrate us with two offices."

Lt. Mayne in Inter-Service Tennis Tourney

First Lt. Clifton P. Mayne, son of Mr. and Mrs. Clifton P. Mayne, 3980 S. Peardale, Lafayette, participated in the Inter-Service tennis tournament at Arlington, Va., recently as a member of the Army's net squad.

Lieutenant Mayne, regularly stationed at Fort Monmouth, N.J., finished second in the men's open singles event at the All-Army tourney earlier this month.

HE IS AN administration officer at the Army Signal School. He entered the Army in November, 1955.

Presbyterian Minister to Be AA Speaker

Alcoholics Anonymous will have the Rev. Carl Thomas of the Lafayette-Orinda Presbyterian Church as one of its guest speakers at their regular monthly Inter-group Public meeting on Wednesday, October 9 at Ebelle Hall, 1440 Harrison Street, Oakland.

The Reverend Thomas has been interested in A.A. for a long time and will talk about the value of the A.A. program for those who may need help and who are not familiar with Alcoholics Anonymous.

George J. of the Lafayette-Walnut Group will be the A.A. speaker. The general public is invited. Admission free.

TRAVEL WELL

Especially good for travelers are the many colognes and toilet waters now available in aerosol containers which are unbreakable

To Return Here

Bargain City will return to Lafayette approximately October 15, owner Louis Albert announced yesterday. The new location will be in the Super Saver Market building on the south side of Mt. Diablo Boulevard near Mt. View Drive.

Manager of the Bargain City store in Lafayette will be Virgil Tollardo, according to Albert.

BEFORE IT RAINS

Check the condition of the windshield wipers on your car before the wet weather begins. Don't wait until the first storm to discover your wiper blades are not in good working condition. Have them checked the next time you pull into a service station.

Party to Have Jewelry--Plus Champagne, Too

The glitter of elegant jewelry added to the effervescence of fine champagne promises a sparkling party for Valley Art Center members on Saturday, October 12, in the gay setting provided in the gardens of the Frank Gashins, 1611 Orchard Lane, Walnut Creek, for the "Champagne and Blue Velvet" benefit.

Between 4 and 7 p.m. guests will view handwrought gold and silver jewelry brilliant with precious stones while sipping the beverage of festive occasions provided by Weibel, Paul Masson and Almaden wineries.

Mr. and Mrs. William Wilkinson, Orinda, assisted by Kay Lane, Berkeley, of the Metal Arts Guild, are arranging a diversified exhibit. In addition to the gem display, there will be a collection of guns and engraved plaques by Orville J. Kuhl, Walnut Creek, and a collection of California gold nuggets gathered over a period of 20 years from the Mother Lode country by Walter Ruedrich, Orinda.

IN THE JEWELRY show will be works of prominent members of the Metal Arts Guild whose works were included in the San Francisco outdoor art show. Byron Wilson, Oakland, and Vera Allison, San Francisco, both prize winning members, are among exhibitors.

Assisting with the jewelry exhibit are: Dr. David Harris, Danville; Dr. Peter Picard, Orinda, and George Harvey Mount, Lafayette.

FOR MANY of the guests, the "Champagne and Blue Velvet" affair will be a stopover before proceeding to the Diabolo Cotillion, held the same evening. The benefit committee is headed by J. Gordon Ainsworth, Orinda, general chairman; Mrs. John Ellis, coordinator; Mr. and Mrs. William Wilkinson, exhibition; Mrs. Harold Powell, Lafayette, publicity; Mrs. John Hill, Orinda, invitations; Mrs. Frank Cardin, Lafayette, arrangements and hostesses, and Mrs. Irving Roemer, Lafayette, tickets.

GASOLINE IN EUROPE

The price of gasoline in European countries varies from a low of about 40 cents a gallon in the Netherlands to a high of 90 cents a gallon in France.

Shower Honors Bambi Hutton

Mrs. George Parnham entertained September 26 with a luncheon and shower at the Orinda Country Club in honor of Bambi Hutton, who is to be married October 12 at St. Stephen's Church in Orinda to David Lee Comer of Newport Beach, Calif. Those present were the mother of the bride-to-be, Mrs. Sutherland Hutton; Mesdames B. C. Ferguson, Wyman Taylor, James Irwin, Miles Sutcliffe, Robert Hampton, Stanley Sorem, Vernon Hudelson, William Wilke, Langdon Owen, Donald Tibbitts, Elmer Berry, Thornton Grimes, Aubrey Babson, Fred Joyce, Lyell Dawes, Michael Roberts and Paul Franklin, and Misses Gail Hutton and Susan Helfridge of Diablo.

Medium rare . . . coming up!

FIESTA TIME Sept. 21-22 at Santa Maria Church w/over 1200 barbecued steak dinners served to a throng of thousands who kept the cooks and kitchen staff on the run from afternoon to late evening both that Saturday and Sunday.

SPECIAL CHEF CAPS & KUDOS to Joe Navone, Mary Lavagetto, Al and Mary Botto, the Walt Fribergs, coffee-expert Harold Libby, Gina Lucas who cut into more than 12 dozen apple pies, to Howard Quinn, Tina and Al Burastero, Mary Koch and all the others who worked SO hard!

Saturday was busy. Sunday three times so. With long dining tables in the parish hall perfect for big family groups. . . . The Robert Boyles w/their five, their NEWEST, young William, joining the fun and surrounded by ardent admirers.

Another LONG table of about 20 occupied by Gerald and Gen Bonyngton, their children and LOTS of grandchildren . . . the John Gillivans, Elizabeth Gould and her youngsters, Charlotte Thurston holding down the fork while George did duty in the kitchen . . . Barbara McGah w/her daughters, a turquoise pooch prize tucked under young Maureen's arm.

SIDEGLANCES . . . Ticket-takers Ardine and George Courtney . . . Lloyd O'Connell buying a ticket from Mary Tokich and Lillian Bastian (SHE pres. of the women's club) . . . LATER, lucky Las Vegas trip winners turned out to be the Ned deLaveagas . . . Jack Hubner, the Dick Regans hailing Guy Catterton, who was Fiesta chairman . . . the Ed McCormicks.

GAMES GALORE . . . John Weigand supplying the darts for Phil Reynolds, who took time out from the Pantry booth to try his skill . . . Lee Schwartz enlisting help, George Wheeler doing warm-weather business at the ice cream booth, where Bob Boyle dispensed his Hills Bros. coffee and, in spite of the high temperature, found plenty of takers.

Poor merrygoround had no oom-pa-pa left!

Young Miss Melissa McCormick waiting her turn on the Merry-Go-Round . . . A trio of carousel cowboys, Richard Tokich, Brad Ott and Christ Harnett Jr. giving up their steeds, a line of children THAT long on Sunday.

PLUSH POODLE DOGS loading down Stu Busy and Penny Marsh . . . A whole pet store full of those fancy faddish stuffed animals won by Pete Brooks and Jim Neyland.

Back to the dining room . . . The Don Hutchinsons there en famille, as were the Jim Maddens, William Siefkens, Bud Loughmans, Lonie Bees and Bill Irvings lingering over coffee and pie.

A large crowd coming in from a pre-prandial gathering at Thelma Harney's hilltop Colonial house on Crest View. Among HER guests, Pat and Leo Lemire, Eva and John Parker, the Henry Soubilles chatting w/Lem and Joe Dirickx, WHO, by the way, flew last weekend to Mexico for a long weekend, and the anticipating meeting w/that country's president.

A hostess with the mostest . . .

The Dirickxes were missed Saturday when ORINDA ORIOLES and their guests assembled in the Spanish-garden setting of the Addison Thompsons' Glorietta Blvd. hacienda for THEIR fall party . . . Marian Thompson, president of the group, CERTAINLY the Hostess With the Mostest ENERGY, that is, for on arrival home the 20th from Alaska, there wasn't even time for some newspaper picture-taking, she and Ad only home LONG enough to pack up for a weekend boat trip.

Chairman Bea Stringer was assisted in hostess duties by new member Lola Dyer, Nan Davidson, Rene Kennedy, Cay Snover and Very Berry.

A ROUND OF DINNER PARTIES preceded the Junior Alliance Sawyers of Moraga among the localities entertaining beforehand . . . dance last Saturday night at Diablo Country Club . . . The Frederick Ditto the Albert Rubeyes of Diablo, the Thomas Lowrys of Danville.

At their home on LaCantilla here, Bill and Liz Ingram spared host & hostess honors with the WITHS, Ralph and Jan of Meadow View Rd. . . . Over on Snowberry Lane, the Kenneth Hollands, who moved in JUST recently from El Cerrito, gathered friends early for a look at their new home and Doctors Glen Heltnie and Alan McDowell and their wives joined Ken and Jo Mirov to host still another pre-dance party with cocktails early at the Heltnes' Diablo Circle residence and a later buffet at the McDowells' on Via Floreada.

PARTIES, PAST TENSE . . . "Encore" recently when Orinda Mills Club held its annual conclave at Jeanette and Frank Wright's Miner Rd. menage for a "repeat performance" of last year's party.

Harvest Moon weather perfect for bare-shouldered cottons, a smattering of sweaters appearing after dark . . . The Scott Ramsdens with Jack and Ida Pedder being greeted by Emily Randall, who was party chairman . . . the John Barkleys, Val Brookses, Wendell Spackmans and Henry Harrises in a conversational huddle.

MORE IN THE MOONLIT GARDEN . . . The Bill Brooks coming in from Ph, the Jim Chapples, Ray Devins, Bruce Howards and John Whinnys in the crowd . . . The Eugene Paynes of Piedmont arriving with Jack and Doris Fraser. A big greeting for Elinor Herod (She pres. of the Alumnae Assoc. of Mills) who with her husband Blaker went on to the Diablo Mills Supper at the Frank Marshalls in W.C.

Now if you train your brain at Mills . . .

The Richard Cohens hosting a dinner party later for the Stuart Hendersons, Channing Kilburns and Walnut Creekers — the Robert Hodes, Ned Connors and Herbert Von Colditzes.

WHICH REMINDS US that once we asked a Mills Club member who the secretary of the group was. Her answer "NO Secretary! We don't take minutes — we just remember!" left us with the feeling that HERE indeed was something unique. Just all that good memory-training at Mills, hmmm?

One of Orinda's favorite families leaves soon for a move to

Camp Fire, Blue Bird Leadership Classes Planned

The newly organized Central Contra Costa Council of Camp Fire Girls will begin a series of Camp Fire and Blue Bird group leaders and sponsors starting today, 10 a.m. to 3 p.m. at the Walnut Creek Recreation Center.

Several hundred leaders and sponsors from Concord, Lafayette, Walnut Creek, Pleasant Hill, Orinda and Danville have been invited to attend.

Mrs. Leslie Lopez Council training chairman, will conduct the series. Mrs. Ann Pye, District I, Mrs. Marian Luttrell, District II, and Mrs. Ruth Boshop, District III, will assist.

"The Outdoors" has been selected for the opening topic for the meeting today. The topic will cover outdoor cooking, songs, menu planning and games. The training for this meeting will be geared particularly to Camp Fire and Blue Bird leaders of nine year olds.

Further meetings in the series will be held on October 8, 15, 22, 29 and November 5 and 12 at the Presbyterian Church th 1720 Oakland Blvd., Walnut Creek from 10 a.m. to 2 p.m.

These meetings will emphasize basic leadership training as well as instructions in symbolism, seven crafts, Council Fires and Blue Bird graduations.

Central Contra Costa Council of Camp Fire Girls is a member agency of United Crusade.

Teenage Style Show Being Planned by AFS

A Teenage Fashion Show is being planned by the American Field Service Committee of Orinda for Thursday afternoon, October 24, at Miramonte High School.

On hand to help will be Miramonte's two European students, whose year of study in Orinda was made possible largely through the efforts of last year's Miramonte AFS student drive.

Mrs. Sig Groennings, chairman of the Orinda AFS Committee, has announced that the style show is not an event to raise money, but rather to acquaint the community with the aims of the American Field Service. For this reason, she said, the show has been scheduled for United Nations Day.

In charge of the event will be Mrs. Ruth Henry, assisted by the following committees: decorations, Mrs. Ben Olson, Mrs. Spencer Archer; refreshments, Mrs. Everett Howe; program, Mrs. Sig Groennings; tickets, Mrs. J. H. Schwarck. Mrs. John Dorr will be the commentator.

Miramonte students who would like to model will be trained by Mrs. Ted Schilling.

Clothes from Ogden's and Fiesta Fashions will be modeled by both boys and girls in the new "Multi-purpose Room" at Miramonte.

NEARLY EVERYONE READS THE SUN

Oregon. You have until Oct. 12 to say Goodbye to Lo and John Glascock and their children. Which changes the tune (in our case) from Hi Lo! to Bye Lo! (Well, SHE'LL understand, if YOU don't!)

MUSIC HATH CHARMS, judging from the sounds emanating from the Robert Johnsons on Orchard Rd. . . . BOTH Bob and Clarice playing beautifully QUITE a repertoire on their new electric organ. Neither even played the piano before! After a small concert all our own, over the phone, we're tempted to ask Santa for ONE of the same!

Charlene and John Hollenbeck christened their new Muth Drive home with a cocktail gathering for some 30 friends preceding the recent Montclair Juniors Dance at the Carroll Ranch. The Hollenbecks have two sons, Kenneth, 6, and Tommy, 5 months, and Charlene is already pitching its community life by lending a helping hand as one of the mother-librarians at Orinda School.

Also new in the Muth Drive neighborhood are the Walter Wilners, who recently arrived from Oakland with their three daughters, Helene, Barbara and baby Diane, and son Lewis.

Tuesday Forum To Start Ninth Year of Activity

The Diablo Tuesday Morning Forum will present its first program of the new fall series Tuesday at 10:30 a.m. at the Diablo Country Club, marking the start of the Forum's ninth season.

Dr. Thomas Lantos, economist, educator and television director, will be heard in an address entitled "Our World Today." Dr. Lantos, who recently returned from a world tour, will present his personal commentaries on vital current issues.

A native of Budapest, he fought with the prewar underground against the Nazis and in postwar years was in the forefront of anti-communist political activity in Hungary.

A scholar at many European universities, he received his doctorate at the University of California in international economics. An American citizen now, Dr. Lantos makes his home in San Francisco.

Forum board members planning the current programs are the general chairman, Mrs. Howard Flanders, assisted by Mrs. Robert Bartlett, Mrs. John Blemer, Mrs. George Towle, Mrs. A. F. Bray and Mrs. Jackson Calvin.

Mrs. Stanley Friden is in charge of programs and Mrs. William Hale, Jr. is chairman of arrangements. Mrs. William Boyd will be hostess at the 10 a.m. coffee hour preceding the program. Mrs. Hugh Miller will receive the guests and Mrs. Clifton Moore is in charge of decorations.

The Forum will present three outstanding programs this fall. Anyone interested in the series or individual lectures may contact board members or obtain tickets at the door the morning of the program. Each ticket includes the coffee social hour preceding the program.

Dramateurs' 'Harry' Opens Next Weekend

The Dramateurs will open their fall production of Thomas Job's "Uncle Harry" next weekend at Berkeley Little Theater, Allston Way and Grove St., Berkeley, for a run of two weekends—October 11, 12, 18, and 19.

While the cast has been rehearsing nightly, the production staff has not wasted any time. Alice Swenning, star of many Dramateur successes, will assume a new role—that of stage manager.

Under the supervision of Norma Betz and Jim Harris as producer-coordinators, these other members of the group are working: Katie Genesey, female costumes; Wirtabel Harris, men's costumes; Beth Culp, Jane King and Jan McRoberts, props; Wyatt King, in charge of lights and sound; Emah Dakin and Charlotte Chapelle, set decoration; Paul Pollaczek, ticket manager; Gary Lawrence and Eva Nun, programs and promotion; Jewel Scheeline, house manager.

Jean Henderson is taking a character role of the maid in the production. Gary Lawrence will assume two roles D'Arcy and Mr. Burton. Director is Carl Rasmussen.

Vitality

has long topped the list as the most admired quality of Beauty

How to buy "vitamins"

Door-to-door peddlers are around now, selling vitamin preparations and nutritional supplements. The talk is mighty convincing. But, remember, talk won't do a thing for you. There's only one way to be sure of what vitamin you need if any are needed at all. That is to see your family physician. He and he alone is qualified to prescribe for you. Always buy vitamins or nutritional supplements from a registered pharmacist. Then you'll know what you're getting—and you'll get your money's worth.

Directory of Organizations Is Available

A new and complete directory of organizations in Central Contra Costa County, a joint project of the Walnut Creek Area Chamber of Commerce and the Volunteer Bureau of Contra Costa County, is now available.

The directory lists over 350 clubs, agencies and organizations in some 20 different categories along with the names and addresses of officers.

This year's directory has been improved and features an attractive, hard cover. Art work has been donated by Mrs. Rawlings Simon of the Valley Art Center and Mrs. Glenn Max of the Co-operative Art Association.

Countless hours of research and classification were given to the publication by members of the Volunteer Bureau. The organizations are indexed by interest classifications.

Directories are available to listed organizations at a cost of 50¢ to members of the Walnut Creek Area Chamber of Commerce for \$1 and to non-members at a price of \$2. Copies may be obtained at the Chamber's business office, 1640 North Main Street.

Supply of the directories is limited and interested persons have been urged to reserve their copy at an early date.

Springbrook Pool Nears Completion

The Springbrook Pool Association has been a busy and active group, with the result that it has "concrete" evidence of its work in the form of a cement pool shell that was laid recently.

Contractor Don Doughty of Orinda Pools has had his crew on the job and hopes to have the heated pool in active operation in three to five weeks.

The four-acre site, located just behind Acalanes High School and off Stanley Boulevard, will have extensive developments, with plans calling for dressing rooms and a picnic area in the near future.

The area is to be fenced, and a parking site is to be provided.

The association is open to any family within a 3-mile radius of the pool site.

Anyone interested in joining may get the necessary information by phoning President Robert Stevens of 3177 Stanley Boulevard, Lafayette.

Hart Attends Naval Academy

Receiving indoctrination at the U. S. Naval Academy, Annapolis, Md., in advance of the regular academic year is James A. Hart, son of Dr. and Mrs. Charles J. Hart of 33 Bishop Lane, Walnut Creek. He entered the academy on a fleet appointment after serving in the U.S. Marine Corps.

Young People Prove Value to Communities

The Volunteer Bureau of Contra Costa County started a summer placement program for teenagers this year. The results of these placements were so gratifying that the bureau has been asked to develop a year-around program for youngsters in high school, say leaders.

Mrs. E. C. Sterling, publicity

chairman, said the teenagers proved their dependability as well as their efficiency on the job. They were flexible in fitting into busy, challenging and responsible positions.

The teenagers enjoyed not only the work which they did but also the feeling of contributing in a worthwhile way to the community, she added.

A GROUP of teenage volunteers worked at the Volunteer Bureau office to help organize their placement program.

They were Frank Malley, program photographer; Nicholas Busch, program publicity writer; and Linda Searight, art work.

At the Pavilion Theater office the teenagers filling volunteer jobs as receptionists and typists were Julie Busch, Cecile Caswell, Sharon Delaney, Frances Elvin, Linda Englehart, Loretta Fagundes, Jackie La France, Alice Lynn, Janet Partland, Judith Partland, Nancy Jo Smith and Margaret Thompson.

The United Crusade Office had their group of teenage volunteers working as clerk typists. They included Julie Busch, Diana Hiron, Barbara Hull and Barbara Marsh. Also Diane Dewey was the banner carrier for the Volunteer Bureau in the United Crusade Division of the Walnut Festival Parade.

AIDING THE Central Contra Costa County Mental Health Society were Shari Saxton, Diane Saxton, Marilyn March and Barbara Mach. Sandra Planz helped in the compiling and typing information for Directory of Organization of Central Contra Costa County, a combined project of the Volunteer Bureau and the Walnut Creek Chamber of Commerce.

A group of youngsters who helped make the Lafayette Recreation Program a success were Gale Chamberlain, Loretta Fagundes, Diana Fullerton, Susan Fall, Barbara Hull, Marilyn Jamison, Michael Reed, Linda Searight and Tyson Planz. They served as recreation assistants.

Two mornings a week Gale Newell volunteered as a clerk receptionist at the Easter Seal Society.

Shadelands School had the volunteer services of Sue Grant five mornings a week as receptionist. Marianna Davison served as secretary in the office of the Contra Costa Safety Council.

This group of young citizens contributed more than one thousand hours of work.

Let's Do Our Part: Fill Out Road Survey Forms

As residents of Central Contra Costa County we will soon have the opportunity to contribute personally to the improvement of our roads.

The work, talent and thoughts of six agencies are being co-ordinated in the Contra Costa County City-County Thoroughfare Study now underway.

The purpose of this study is map the highways of the future, and lay out the county road system so that there will be no unnecessary duplication of roads in some areas and a woeful inadequacy in another.

Participating agencies in the vast study include the State Department of Public Works, the County Department of Public Works, the County Planning Department, engineers of the 11 municipalities and the Tudor Engineering Company.

The most important contributor, however, is YOU!

You may have already received a questionnaire in the mail asking you to mark down the "trips" that you take in your automobile on any given day. If you have not received such a form, you will in the near future as one is being mailed to every registered automobile owner in the county.

From the results of these questionnaires the engineers making the study will lay out a traffic flow pattern of the county, and will attempt to lay plans for future road networks.

Much time and study, as well as

thousands of dollars, have gone into the preliminary work of this study... and it will all be wasted if we, as individuals, do not cooperate.

And the cooperation is simple on our part. It takes but a few minutes to fill out the form and mail it—the postage is already paid.

But that simple act may make the difference between success and failure of the program.

It is always easy to say, "heck, they don't need my form. Somebody else will mail in the information." But if enough of us think this way, the total program will fail... and we will have nobody to blame but ourselves.

We have criticized the county government in this space frequently, and we have criticized and praised other local and civic groups as well. But in this case there will be no-one to criticize if the plan fails but ourselves... if we do our part.

Victor Sauer, director of the department of public works, commented:

"The plan is directed to the future needs of the people, irrespective of where they reside now, and of the County as a whole. This is an effort to eliminate any guesses. It is an opportunity for people to express themselves with the facts."

So let's get behind this effort and do our part. If each of us does, it cannot fail.

Sun Spots...

A Hot Sheriff's Race May Lead to Many a Cool Brew

By PAT PENDING

I see by the papers that politics are in the air. Maybe that's why people keep asking me if we're importing Los Angeles smog. Politics always have an air.

"If you air goin' my way, I'll be glad to vote for ye!"

When I moved here some four years ago, the race for Sheriff of Contra Costa County was really on. I saw so many posters plastered on telephone poles, decadent barns, and other available fixtures that I wondered if I had missed a Presidential election.

Obviously, the office of Sheriff was a much sought after and, undoubtedly, lucrative position! While hunting for a home to buy I stopped in at a well-known bar in Walnut Creek to quench a raging thirst (it was extremely hot in that year—1954—but no hotter than the race for Sheriff!). The bar owner was playing it really cool. He had a picture of both candidates above the back bar each stating:

"Vote for So-and-So!"

I couldn't help but admire the man's diplomacy.

What's bothering me now is:

How can this gent possibly roll a natural?

If there are seven candidates in the running for Sheriff, how

can this diplomat put seven pin-ups above the back bar and still

leave room for the glow of the neon lights so essential to the proper

absorption of a dry martini?

It's real confusing!

Herb Caen was a bit confused some time back. He thought that all women in Los Angeles wore cheap, open-toed sandals for his sole enjoyment. He also wrote that—"in most cities you hope that you'll be taken for a native—in Los Angeles you hope that you won't be!"

I pointed out to Herb that it was entirely within the realm of possibility that one or two natives of Los Angeles might be living in this area—through no fault of their own. Anyway, I'll say this much for Mr. Caen, he wrote a letter to me (my phone was disconnected as I had to sacrifice it to pay my Cal Water bill) saying that he would try to take a broader view, geographically speaking, in his column. Herb meant well. He just went down to L.A. for a vacation and got loused up on the Sunset Strip trying to retrieve Robert Taylor's widow's peke!

Afraid Bite Has Rabies? Act Quickly!

The County Health Department recently advised parents on what to do if someone in the family is bitten by an animal suspected of being rabid.

Dr. Elvira Goettsch, assistant health officer, said, "If someone in your family is bitten, wash the bite right away with soap and running water."

"Keep this up for 15 minutes to wash out as much saliva as possible. See your doctor as soon as possible for medical treatment."

She continued, "Capture the animal if possible. Take no undue risks. Should it be necessary to kill the animal, avoid shooting through the head."

"The brain will have to be examined for rabies, so it should be in good condition on arrival at the laboratory."

"Place the animal on ice and call the vet."

Dr. Doetsch emphasized that although Contra Costa County is not now a rabies endemic area, the disease does exist in wildlife in several neighboring counties.

Service Awards Go to Residents

Awards for exceptional service in the San Francisco Ordinance District went to several area residents, it was announced.

They include Lawrence Baker of 3144 Bonafacio Street, Concord, outstanding employee performance rating; Mrs. Eugenia Claus of 274 LaVista Street, Concord; Ms. Irma Hagen of 4 Northwood Court, Orinda; Mrs. Edith Cantrell of 3239 Rohrer Drive, Lafayette.

Also Balow Hollingshead of 12 LaCliff, Orinda; and Mrs. E. Shirley Masvik of 110 Roberta, Concord.

Letters to The Editor

NEWSPAPER WEEK

Dear Editor:

The Grand Lodge of the Benevolent and Protective Order of Elks has designated the week of October 1 through 8 as Elks National Newspaper Week. It is a time when we turn to the newspapers of our respective communities and offer our gratitude and thanks for their initiative and tireless news in obtaining and reporting the news to the general public.

And, in doing this fine work, become further aware of their service in protecting the freedoms which are inherent to the privilege of American citizenship.

In a more specific vein, it is very fitting that we should offer our thanks to your fine newspaper, which has done so much for our community. The state and national awards, which you have received in the last few years, certainly speak louder than these words in acknowledging the great contribution you have made to our area.

Your ceaseless efforts to improve our civil and political situation have certainly not gone unnoticed and we in Elks wish to express our public thanks for your great work along these lines.

C. TERENCE RING, Exalted Ruler.

QUOTATIONS

Dear Editor:

I am again writing to you in regard to the letter from Mrs. John Jeffrey appearing in the August 23 issue of The Sun—the letter where she so glibly includes the sentence "Who are the uninformed?"

It appears that the answer to this question is: Mrs. Jeffrey. She included a great many quotations in her letter, implying that she had all the facts and was informed on this matter. I doubt sincerely that she actually did the research on this letter—but she obviously has been misinformed by someone and is trying her best to disseminate grossly inaccurate information.

I OBTAINED a copy of the September, 1951, issue of the Journal of the American Water Works Association at the main branch of the Oakland Public Library. She quoted this as follows: "American Water Works Journal stated fluoride solution destroy steel pipe very rapidly."

I am sure that Mrs. Jeffrey never saw this article—it is a 17-page technical article entitled "Fluoride Chemical Feeding" by a Mr. Harper. The article deals with the techniques and costs of introducing the various commercial forms of fluorides into a public water supply. In her scare writing Mrs. Jeffrey implied the great risks of error in control.

Mr. Harper describes the various systems which mechanically can maintain the mixtures in ranges plus or minus 1 per cent from the desired mixture. Since the mixture is desired at 1 part per million this would mean a variation of plus or minus 1 part per 100,000,000 parts of water. In addition, with proper concern for the water supply (as is common with most people handling the public water supply), Mr. Harper says on page 752, "Provisions for continuous testing are are so expensive and simple to provide that they should not be omitted."

MRS. JEFFREY'S quotation appears to be from the following paragraph on page 757, which I will quote in full... The particular paragraph is headed "PIPE-ING."

"The most satisfactory method of conveying fluoride solutions to the application point is through a rubber hose, although the necessity to support the hose for its entire length to present a neat appearance and prevent air pockets is a disadvantage. Many types of plastic and plastic-lined pipes have been placed on the market recently, all of which are suitable for sodium fluoride, silicofluoride or hydrofluosilicic acid. Since fluoride installations have been in operation for only about five or six years (NOTE: this was written in 1951), it is not possible to base recommendations on a longer history of experience. Many plants have also been using ordinary steel pipe for sodium fluoride solutions with satisfactory results, although silicofluoride solutions have been found to destroy steel pipe very rapidly."

ROBERT KAHN

Under The Sun

Should We Get Panicky About Asiatic Flu?

By Herman Silverman

I'm not a hypochondriac—at least, I don't think so. But when there is a preventative vaccine recommended and available, I believe we should take it. Some people buy polio insurance; all of our family took polio shots.

Each year our family goes to the doctor's office and each takes a flu shot. Eleanor and I have noticed a very definite drop in flu and colds. We are starting our annual flu shots now—in addition to the Asiatic flu shot.

Now we are coming to the point of this column—Asiatic flu.

Will you get the bug?

Everyone is interested (should I say "concerned") about this new flu bug. We've been reading about it since late spring. Public health authorities have tried to awaken our interest. Their warnings have been emphatic and often. The U.S. Public Health Service asked vaccine manufacturers to push through 60,000,000 doses by February. The U.S. Surgeon General advises everyone to take the vaccine when it becomes available.

Now suddenly Bay Area public health officials and medical men are belittling the effectiveness and need for the Asiatic flu vaccine.

Dr. Lowell Rantz, Stanford professor of medicine, challenged the vaccine at a meeting of the San Francisco Medical Association.

"As the disease exists now, you could take any one million people and vaccinate them and there would be a higher percentage of them disabled and dead than among a similar one million unvaccinated," said Dr. Rantz.

He does not agree

Dr. Carl Dauer of the U.S. Public Health Service in Washington commented, "I don't think the U.S. Public Health Service would agree with such a statement. There is only one way to check the disease and protect the individual and that is by vaccination. Nothing else can stop it."

I have been trying to analyze why local medical men are belittling the vaccine. Obviously they are trying to calm the fears of the people. They apparently feel the nation is overly alarmed and there isn't enough vaccine to meet demand. They declare the vaccine is only 50 per cent effective at best, and that Asian flu is no worse than a bad cold and need not be feared. Doctors point out the federal health agency has become "mass vaccination minded" and that some of the alarm is being spread by vaccine manufacturers.

Well... there's something to be said on both sides. Certainly, there is every reason to take an Asiatic flu shot—when it becomes available. You can ask your doctor to put your name on his list. Soon the Asiatic vaccine will be mixed with regular flu vaccine, so you can take both at the same time. At least, that is what some of the Bay Area medical leaders explain.

Here's an expert's diagnosis

Meanwhile, there is no reason to go into a panic. Dr. Silverman's diagnosis is that much of the flu now prevalent is not Asiatic. Notice that symptoms differ from person to person—one has high temperature, another has no temperature. Ditto sore throats, aches and pains, stomach troubles, etc. People who get the bug recover rapidly—so why worry?

If you have any other health questions, please write Dr. Silverman, c/o The Sun.

Farm Bureau Women Meet Today

Contra Costa County committee and unit leaders of Farm Bureau Women will convene today at 10 a.m.—at the new Farm Bureau Federation Building, 5554 Clayton Road, Concord.

Mrs. Harry Hobbs of Knightsen, county chairman, will preside. Contra Costa Home Advisors Mrs. Mary Ryon Williams and Miss Anna M. Pleasant will give reports from the University of California Extension Division and from the groups.

R. C. Windler, president, and Mrs. Elaine P. Tod, secretary of the Contra Costa Farm Bureau Federation, attended the Federation's recent statewide membership meeting. Mrs. George W. Fox of Concord, past chairman, and Mrs. Leslie Kerns of Danville represented Contra Costa Farm Bureau Women.

They will report on the proceedings at the October 4th meeting. Honoring the United Nations, the luncheon will be a potluck of foreign dishes accompanied by their recipes.

Mrs. N. G. Olsen of Vacaville, chairman, will welcome Region 9 (Alameda, Amador, Contra Costa, Sacramento and Solano Counties) to Concord on Wednesday at 10:30 a.m. at the new Farm Bureau Building, 5554 Clayton Road.

The luncheon will be potluck with Contra Costa as host.

Mrs. Stella Kanouse, Farm Bureau Women's field secretary from the Farm Bureau Federation in Berkeley, will talk on the proposed revision of the Farm Bureau Women's bylaws on the state level.

PETROLEUM

Cae ton of oil shale may yield up to 65 more gallons of petroleum.

They will report on the proceedings at the October 4th meeting.

They will report on the proceedings at the October 4th meeting.

They will report on the proceedings at the October 4th meeting.

They will report on the proceedings at the October 4th meeting.

They will report on the proceedings at the October 4th meeting.

They will report on the proceedings at the October 4th meeting.

Tell Us Your Views, Please

This is National Newspaper Week, and we are proud to be a part of the nation's free press... dedicated to serving our area and our communities.

Putting out a newspaper is much like any other business... you try each day to do your job, provide service, and improve your product as best you can.

And each day you think "how can we make this issue of The Sun just a little better... a little more informative... a little more interesting?"

WE FREQUENTLY find the answer to these questions from people like you... our readers and subscribers, who are, after all, the people we are trying to please and to serve.

Therefore, although we are proud of The Sun, we welcome your suggestions for improvement, and we will do everything we can to put your suggestions into effect.

We know that there are literally

thousands of events happening each day in our communities, and that you would be interested in better coverage of many of them.

WILL YOU HELP us to do this? We welcome your suggestions, and especially your criticisms, for they help us to know and to grow. We are always pleased and flattered when someone writes us a letter, or calls to tell us that they like The Sun, but we are even more impressed when we get a complaint or a suggestion.

Because this means that someone is really concerned about an aspect of this, their newspaper, and they are concerned enough to help us improve.

So won't you give us your suggestions and recommendations?

They will help, and we can work together through the coming year during which we hope to produce and ever-improving newspaper for you.

The Staff Corner

It's Time to Tell a Story

By Bob Rapida

There's a story that's told concerning a poet who was walking up the main street of a small town one night and as he approached the town hall he heard great turmoil from within its walls.

Arriving at the building, the shouting became louder and more intense. Upon closer inspection he found the city fathers and citizens screaming at the top of their lungs. The only words the poet was able to understand were: "I this... Me that... and I... I and even a louder and more authoritative I... I... I..."

BEING A POET, of course, he hurried to his home to curse in verse the ego mindedness of not only the group of people at this gathering but all mankind for its "yeppee for me—heck with you attitude."

Just what his specific complaints against life in general were have been long forgotten. Just as any writer who finds all bad and nothing good in life may be remembered as a "blue nose, killjoy or crackpot," his words were soon forgotten by men.

We all know people who either find all good or all bad in every issue. The people who will vote down every bond election, every school improvement, every effort to to broaden the tax base, every project, even though harmful to a few, which would bring about general welfare for the community.

HOW OFTEN do we hear "Oh, him

again, don't pay any attention to it, he's against everything..."

Then again we have the soul who is in favor of everything illegal, gambling, wide open vice, 24 hour-liquor sales, as well as, corruption in government and the repeal of all zoning and planning laws for personal gain.

There is very little difference between these two types of persons, with the exception the "anti-anti" works on the right side of the devil, while the other works on his left.

Both retard the community, both are working to bring about slum areas, both are work to stay progress, both are egotist in the lowest sense of the word.

NOT ALL BOND elections are valid, not all civic improvements are valid, but the selfish few who constantly fight against the valid improvements because "there's nothing in it" for them, or will cost a few more dollars in taxes, are morally as guilty of cheating the many as is the draft dodger.

Responsibility and selfishness are two closely related items. Responsibility involves duty to all. Selfishness duty to "I".

Next time a particular civic problem comes up... why not weigh it from a standpoint of responsibility rather than selfishness?

We Buy Old Gold, Clocks and Diamonds

OUR POLICY:

We take pride in the fact that we are the oldest established Jewelry store in Walnut Creek and that we have never resorted to gimmicks or high pressure in order to sell diamonds.

We know the diamond business and can honestly state that our prices are the lowest in the Bay Area. We invite comparison and suggest you drop in when you are shopping for any diamond jewelry.

Finances Are Factor in New School Project

"Economy and utility" are to be "bywords" in the construction of the new Tice Valley High School, Acalanes District Trustees decided last week. They conferred with Stanford education consultants and district architect John Lyon Reor and partners. Trustee William Freeman suggested that the comprehensive study of education facilities for the new school conducted by Stanford consultants "might have overshot the mark" as far as pegging the amount of money the district will be able to spend on the Tice Valley School.

Trustees questioned recommendations in the Stanford study "in the light of economies that must and have been held in the past, current and future district planning."

Queries by trustees into any possible savings that might be derived from metal construction, led to inquiry into the feasibility of greater use of metals. The district architect will make a study.

Trustees questioned both the Stanford consultants and the architects on the advisability of extended cafeteria facilities, full stage equipped gymnasiums, exercise rooms for physical education classes.

Also portable partitions for easy inexpensive adjustment of classrooms to changing curriculum requirements, class room footage, installation of basic utilities and other expense items.

Trustee President Will C. Hall stated that, "As an important economy in planning, the Tice Valley School plant should serve as a basic plan for future district construction. We are interested in building a school in which every facility is analyzed from the viewpoint of its economy and its use in educating the student."

"District construction costs in the past have generally been below state averages. The original Acalanes High campus was a pioneer development in functional, lower-cost school plant design," he said.

"The Board intends to continue its policy in the future district schools will reflect the best design and utility at the lowest possible cost."

Continued discussion between Stanford consultants, trustees and the architect are planned.

The Tice Valley School is scheduled to open a freshman class in the fall of 1959.

East College Rolls are Up 16 Per Cent

are enrolled in all programs of the two Contra Costa Junior Colleges — an increase of 550 or nine per cent over last year, Reed L. Buffington, assistant district superintendent announced.

The figure includes a total 2876 day and 3539 part-time students. Registration is now closed for the former, although continuing in part-time students' classes wherever room is available.

The greatest percentage of increase occurred at East Contra Costa Junior College in the regular day program where 1468 students registered. This is 16 per cent more than last year.

At West Contra Costa Junior College the day registration was 1408, up four per cent.

Part-time students for both campuses were up ten per cent for a total 2271 at East and 1268 at West.

Men day students outnumber women at both colleges. At East they compose 65 per cent of the student population and at West, 59 per cent.

PASS CAREFULLY

When a bus or truck is stopped at an intersection the wise motorist looks carefully before passing it. A pedestrian crossing the street in front of the large vehicle may be hidden. When you approach such a vehicle, look carefully before you proceed.

Patio Note: Tub Plants Are Ideal

Container gardening in tubs on a terrace or patio offers the great advantage that many plants will grow in this fashion — meaning the field of selection for container-gardening is broad.

Of course, there are many types of plants that are best suited for container cultivation. This group includes trees, shrubs, succulents, flowering bushes, bulbs — in other words, just about every type of plant there is.

ESPECIALLY outstanding in large tubs for a patio when you want some shade provided by growing things are the tree wisteria and the Japanese maple. The tree wisteria (Daubentonia Tripetii) is actually a fast-growing shrub to 8 or 10 feet in height and 6 to 8 feet in width with fern-like leaves, showy clusters of yellow and orange red flowers from spring through summer, followed by winged pods.

The tree wisteria does very well in full sun and high heat; pruned in late fall for new flowering wood.

UNVALUABLE in a tub planting, the Japanese maple (Acer palmatum) is an airy and delicate tree 20 feet providing year-round interest.

In spring the young growth is scarlet, summer's leaves are green and in fall the foliage turns scarlet; wintertime brings shades of greens and reds to the leafless branches.

The Japanese maple can be grown dwarf and can be pruned for interesting effects.

IF IT'S A TEMPORARY garden you want in your terrace or patio tubs, try seasonal annuals. For fall, petunias, marigolds and chrysanthemums are very suitable.

Shallow-rooted shrubs are ideal for container-gardening, and in this group of plants gather some of the most attractive flowering shrubs there are, such as the rhododendron, camellia, azalea.

Both the Sasanqua and Japonica camellia do well in tubs. Fuchsias, gardenias, oleanders, floribunda roses and hydrangeas are all good candidates for tubs.

THE DRAPE PLANT category includes several trees that will make attractive evergreen plantings and also give delicious fruit for eating.

Such trees are the Meyer lemon, the Rangpur lime and the many varieties available of orange, grapefruit, mandarin, kumquat.

Bulb flowers feel right at home in a tub. The tuberous begonia, some types of lilies, daffodils and tulips, the cyclamen and hyacinth all make handsome tub plantings.

Four basic ingredients included in most soil mixtures are compost or soil, manure, sand and leaf mold or peat moss.

Proportions of these ingredients can be varied according to whether you want the plant to grow restrained or lush.

MAKE SURE the container you plant in drains well; provide in the bottom of the box place coarse gravel to facilitate drainage.

Container-grown plants will need fertilizing more often than those in the ground; apply a balanced fertilizer monthly during the growing season. Water thoroughly when needed.

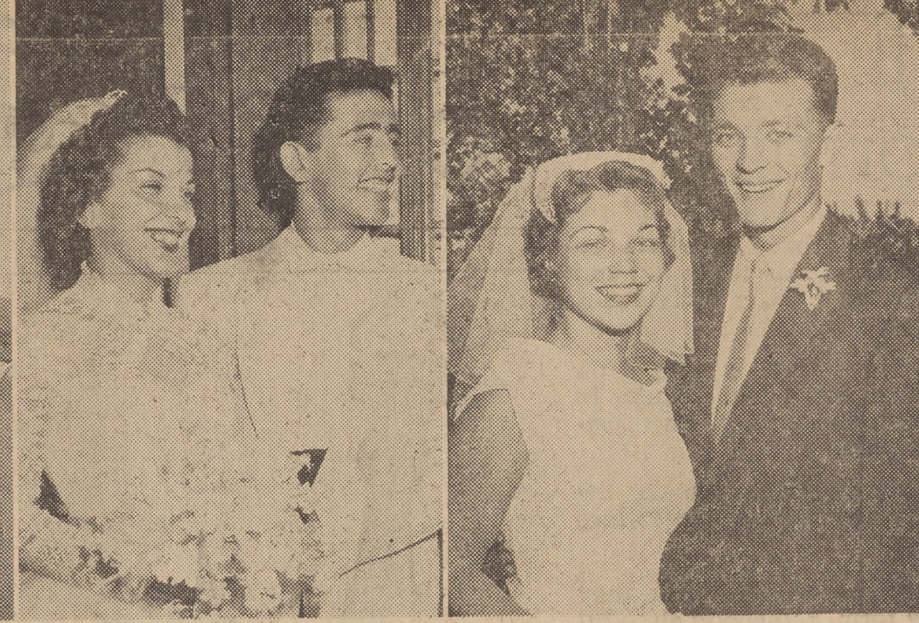

Gurney Awarded Photo Honors

Ted Gurney, 1602 Locust Street, Walnut Creek, was honored by a select group of professional photographers for his excellence in the field of photography by receiving the Bronze Medal for his photograph of children and a Third Ribbon in the same classification of the portrait class of the Professional Photographers Association of California in the International Exposition of Photography, Los Angeles County Fair, Pomona.

In addition to this award, five of his entries received votes of over 30 to place them in the Certified group under the new proposed rules of the National Association.

ANNOUNCEMENT was made that Miss A. Stjerna Wallace of Walnut Creek and Gary Lee Bogue of Pleasant Hill will be married. Friends and family members were told the news at the Treasure Island officers' club.

NEW RESIDENTS of Pleasant Hill are Mr. and Mrs. Arthur Silveira, who were married September 11 in Martinez. The bridegroom is an Acalanes High School graduate.

DESTINATION is Inglewood for the new Mr. and Mrs. Zale Lilly. The husband will attend aeronautical school. She is the former Roberta Bergdale of Pleasant Hill. — Photos by Ted Gurney

On The Lighter Side

by INA BLIESNER
YE 4-3818

Well—I'm up to HERE with news—so let's take a deep breath and get to it.

The Dutch Auction and lunch co-hosted by Lorraine Olsen and Louise Burk at the Burks' residence in Walnut Creek was an outstanding success. Everyone was comfortable, relaxed and FUN was the keynote for the afternoon. Beautiful items were auctioned at 10 cents a bid by Dick Olsen who sounded like LS/MFT's best.

GLORIA PETERSEN (Mrs. Werner) made all of us feel like joining the mothers-to-be group again (well, almost, anyway). Gloria who expects the third little Petersen this month, was really an envy in a beautiful powder blue two piece dress with cleverly pleated cap sleeves and a huge, delicate pink rose at the neckline.

Her pretty red hair was at its best and she was really an eye catcher. Falling in the "cute" category for the afternoon was Betty (Mrs. Lloyd) Smith. This vivacious gal appeared in blue pedal pushers with a blue and white striped overblouse. Her pink, shell-type shoes made her the most relaxed appearing guest of the afternoon. Quite a family, these Smiths! They recently purchased one of the houses stripped of a resting place because of the new Walnut Creek freeway.

They have now undertaken the job of getting the house on their Treat Lane property in Concord and are having a complete renovation job done within 90 days (State law must!). It's interesting, say the Smiths.

UP THE RIVER

Ruth and John Bell of Walnut Creek recently took off for a week's vacation on their boat. They planned to just "go up the river away," fishing, loafing, eating and stopping at such interesting places as Lost Isles Resort, Rinehart's etc. Evelyn and Norman Fletcher, with their daughter, have left for Rockford, Ill. where they plan to be for a short time while Norm gets something rolling there for his employer, Arco. They'll stop off at Yellowstone for a while on the return trip.

"Muggs" and "Peanut" Vincent (that busy couple with the ever friendly "Hi") have returned from a week's vacation at Tahoe with Ann and Dave Penna. Spent most of their time water skiing and the rest in Nevada.

Anderson to Convention 'Blues' Win Contest Nod

William F. Anderson of the Contra Costa County Real Estate Board will serve on the nominating committee of the California Real Estate Association at its 53rd annual convention to be held at the Biltmore Hotel, Los Angeles, next week.

This committee will nominate the officers of CREA, which include a president, secretary, treasurer, 26 vice-presidents, six honorary directors for life and approximately 800 directors who will represent the 148 real estate boards in the 550 communities of California that make up the large CREA membership which is now in excess of 25,000 members.

Leola Davis, East Contra Costa Junior College sophomore, won a talent contest with her version of the popular tune, "Birth of the Blues."

Leola will be one of 17 entertainers performing for the California Junior College Student Government Convention at San Francisco's Sheraton Palace Hotel on November 14, 15 and 16.

Sixty-eight Junior Colleges will be represented at this twice-yearly convention.

Leola was awarded a legal-sec-retary scholarship last semester by the legal secretaries of Contra Costa County.

Girls Awarded Scholarships By Pomona

A Walnut Creek girl and an Orinda girl have been awarded scholarships for 1957-58 at Pomona College, it was announced. They are Phyllis Dail, daughter of Mr. and Mrs. Howard Dail of 18 Daryl Drive, Orinda; and Marjorie Johnson, daughter of Mr. and Mrs. A. E. Johnson of 740 El Verano, Walnut Creek.

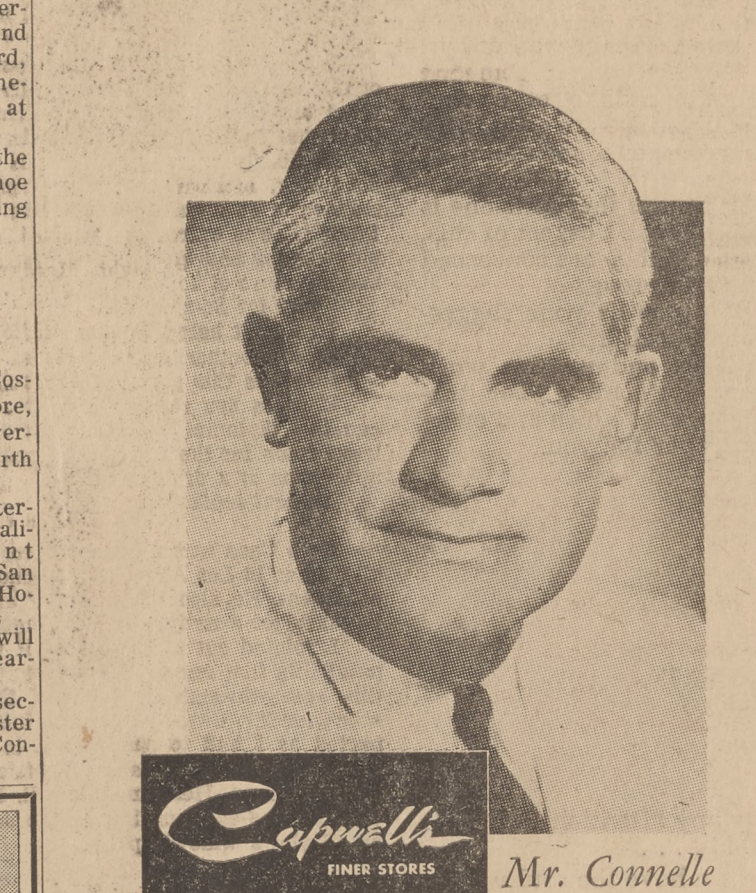

Miss Dail was graduated in 1957 from Acalanes School, Lafayette, where she won a life membership in the California Scholarship Federation, was vice-president of the Girls' League, assistant editor of the school newspaper, and held offices in the Junior Statesmen and American Field Service.

Miss Johnson was graduated from Las Lomas High School this year.

In school she was president of the California Scholarship Federation, a yell leader, a member of the student council, the Diablo Valley Interscholastic Council, and the rally committee.

She was active in basketball, volleyball and the Synchronized Swim Club, and Ski Club. She has won California State, Pomona College, and Las Lomas Parents' Club scholarships.

250 Women Invited to College Tea

East Contra Costa Junior College welcomed 250 freshmen women on September 20 during its annual Frosh Tea sponsored by the Associated Women Students.

Each new student was greeted at the door by a returning sophomore student and they also received a "get acquainted" name tag with their name, year in college and intended major.

After being served tea and cake, the students were introduced to the AWS cabinet—Beverly Canada of Antioch, president; Laverne Argenta of Walnut Creek, vice-president; Judy Komer of Martinez, secretary; and Peggy Smith of Concord, sophomore representative.

Mrs. Helen Lindgren, AWS advisor, introduced Miss Bozena Nemcova who is also "learning the ropes" as a new advisor.

Edith Carlston of Concord was elected Frosh representative during the tea.

Rhoades Conducts Business at Home

Falconer Gary Beeman, 16, Makes Appearance on TV

A junior at Miramonte High School with a hobby that dates back to 4000 B.C. made a guest appearance on the American Trust Company TV show, "Science in Action," on Monday night. The student is 16-year-old Gary A. Beeman, son of Mr. and Mrs. Kenneth C. Beeman of 9 El Gavi-lan Drive, Orinda.

His selection to appear on the popular TV series was announced last week by Merle D. Brown, manager of American Trust Company's Orinda office, and James A. Lewis, principal of Miramonte.

"SCIENCE IN ACTION," produced by the California Academy of Sciences and sponsored by the bank for the past seven years, is seen on Channel 4 at 7 p.m.

Gary is a rugged looking boy with a deep interest in natural science and a hobby of falconry.

For the past six or seven summers he has traveled to the Mojave and Nevada deserts to collect specimens of reptiles and mammals. He now has one of the best amateur arrays of specimens in Northern California.

IT WAS ONE of these field trips that led to his present an-

cient hobby. He discovered a falcon's nest, captured one of the young birds, and has reared it and trained it. The bird will hunt at Gary's command and return to a perch on Gary's hand.

Falconry exists in England today as a gentleman's sport. While Gary's American falcon is a small bird, its hunting cousins are large birds capable of capturing small animals and game birds.

Gary plans to go on to Humboldt State College at Arcata, Calif., to major in natural history and perhaps become a teacher.

AMERICAN TRUST Company features outstanding science students on its TV program as a means of encouraging young people to become interested in science and science careers.

Mr. and Mrs. Merle D. Brown invited a group of local people to be their guests at the TV studio and at dinner the evening of Gary's "live" TV appearance.

Those invited included Superintendent Neil M. Parsons of the Alcatraz Union High School District, and Mrs. Parsons, Superintendent Joseph L. Sheaff of the Orinda High School District, and Mrs. Sheaff, Principal James A. Lewis of Miramonte High School and Mrs. Lewis, Mr. and Mrs. Kenneth C. Beeman, the student's parents, and Robert F. Campbell, Miramonte chemistry instructor.

Laurel Juniors To Show Styles

Next Friday is the date set for the Annual Fall Fashion Luncheon of Laurel Junior Branch of the Children's Hospital of the East Bay.

Diablo Country Club will again be the setting, and the theme, "This Is Your Week," will explore the fashion possibilities of a busy day-by-day week for the anticipated 700 attending from both sides of the tunnel. Mrs. David Fink, Lafayette, an active Laurel Junior member and professional model, will lend her experience and talents to the coordinating of the show.

Prominent models from the branches of Children's Hospital will promenade down the multiple runways in ensembles with complete accessories from H. Liebes, an Francisco including 15 to 20 originals from Europe. The French and Italian imports arrive a few days prior to this showing constituting a first in the Bay Area.

Young married to matron models will program a complete Monday through Sunday wardrobe geared to the activities of a busy week. This will include robes, sportswear, casual and dressy ensembles, semi-formal attire, furs, coats, and accessories.

Commenting will be Bud Pike, well-known instrumentalist and vocalist with the Maurice Anger Trio. Mr. Pike is a former radio personality and Contra Costa Columnist.

Luncheon will be served anytime after 12:30 p.m. with the show beginning at 2 p.m. Tickets are \$3.00 and are available by phoning reservations to Mrs. Robert Gillfillan or Mrs. Robert Wieben.

"THIS IS YOUR WEEK" is the theme of the Laurel Junior Branch of the Children's Hospital of the East Bay Fashion Show planned for the Diablo Country Club. Preparing for the event are, left to right, Mesdames David Fink, model and coordinator of the show; Lloyd Kendall, Jr.; Robert Gillfillan, chairman of reservations and Mrs. Frank Avery, general chairman. Sun photo by Bette Balog

Tri-Dels Planning Big Party

The patio of Mrs. Daniel Colson of Sara Lane, Walnut Creek, was the setting recently for a dessert-bridge party given by the Diablo Valley Alumnae of Delta Delta Delta.

Mrs. Jack Ehle of Orinda, program chairman, was in charge of the fund-raising affair for the benefit of the Tri-Delta chapter at University of California.

Those who served on her committee were Mesdames Robert Lahr, Robert Holm, Frank Hildebrand and Laurence Sherman, all of Walnut Creek, Mrs. O. E. Duling of Lafayette, and Mrs. Rees D. Paine, Orinda.

On Wednesday, Mrs. John Boulware of Orinda, president, and Mrs. Richard Bechtold, Concord, will attend a meeting of Delta Delta Delta Alumnae. They will discuss the formation of a Bay Area Council which would consolidate all benefit activities for the U.C. chapter. This meeting will be held in San Francisco at the home of Mrs. Charles French.

The next general meeting of the Diablo Valley Alumnae of Delta Delta Delta will be held on Thursday at the home of Mrs. James C. Keating, 343 Marshall Drive, Walnut Creek. Plans will be made for the cocktail party to be held on November 9 and reports on collegiate rushing at U.C. and the Bay Area Council meeting.

All Tri-Delta Alumnae in the area are invited. They may call Mrs. Marvin Gilardy.

Crown Circle Assembles at Hill Home

Mrs. Edson Hill of 986 Victoria Court, Lafayette, was hostess to Crown Circle of King's Daughters on September 24.

Crown Circle delegates to the convention of the Northern California Branch of King's Daughters in Oakland include Mrs. Russell Usinger of Orinda and Mrs. William Marschner of Walnut Creek.

Crown Circle members will continue making birthday cakes and stuffed animals for the children at the Contra Costa Juvenile Hall in Martinez as part of their service projects this year.

Other activities will benefit the Girls' Residence in Oakland, sponsored by the Northern California Branch of King's Daughters.

Bridge Marathon Set by Vallecito

The Vallecito PTA has planned a bridge marathon commencing this month and running for eight months.

Games will be played once a month in groups of four. Prizes will be given for first and second places in every group of 16.

There is still time to plan your own groups or to join in one. For information regarding the bridge marathon, please call Mrs. Robert (Vivian) Cornforth.

Spartans May Crown Knights

Knight's Armor Faces 'Hungry' Pacifica Tonight

The Los Lomas Knights have a tough game on hand tonight when they face Pacifica's Spartans under the lights of the Walnut Creek Field with kickoff time slated for 8.

The Spartans figure to furnish the Knights with a stiff test as they knocked off Liberty High of Brentwood 20-14, coming from behind too, to set up the upset of the week.

THE SPARTANS played under the new headman Frank LeSans and won the game in the statistics department as well as in the final score, outgaining Liberty 280 yards to 218 on the ground and hitting for 24 yards through the air to 15 for Liberty.

Coach George DeKlotz of Los Lomas scouted the game and came back with a bagful of notes and a worried look.

The Knights sat last Friday night out when officials postponed the Piedmont game because of wet grounds.

The Knights have been working overtime this week in order to get ready for the big one but like all squads the flu continues to take its toll in absences and slowing down those on the mend.

DICK DODGE and Brett Williams, a pair of regular first string ends, are out.

Dave Weil, giant tackle, John Lago, a guard, and Jim Hemstall, a halfback, were sidelined with the bug earlier in the week and very much on the doubtful starter list.

Quarter Steve Moore who has been the number one man is also on the flu list and a doubtful starter. Don Hopkins is slated to take his place. Pacifica is on the upgrade but the Knights won't be an easy push.

Rams Shape Up for Pitt

The Pleasant Hill Rams were hard hit by the flu and colds last week when the varsity squad was cut down to a grand total of seven. A football game requires 11 men on the field so the game with St. Mary's High was postponed.

Things brightened up for the Rams on Monday however when 21 more players came back and it appeared early in the week the squad on the whole would be in top trim.

The Rams play at Pittsburg in the league opener and have their work cut out for them as the Pirates in their last outing posted a 33-6 win over Serra High and did a bit of coasting in the process.

Pitt lost its opener 12-6 in a toughie to Monterey while the Rams chalked up a win over Livermore.

The Rams have a sturdy forward line anchored by Center Tony Bean who tips the scales at a hefty 200. Bean drew praise for his fine work in the Livermore game from coaches of both sides and could well wind up as an all-county candidate.

Coach Hal Briggs rates Bean as one of his best all time players both in ability and aggressive attitude.

The tentative starting lineup finds Tom Foley (168) at left guard, Butch Crowder (170) left tackle and John Pratt (160) left end. At right guard is Don Jackson (152) with Walt Sathe (195) at right tackle and Warren Millham (175) at right end.

The quarter back spot is a toss up between Dave Shepard (158) or Dud Buffa (155). Dan Ipson (178) holds down left half with Roger Leonard (160) at full and Tommy Larscheid (140) at right half.

The Rams are reported to be up for this one and one thing certain in that it will give a good line on both clubs.

Ouch! Cubberly--48 Miramonte JV--0

The Miramonte J.V. football team was soundly thrashed by the varsity of Cubberly High of Palo Alto. Cubberly, using its first string only in the first quarter and a little in the last stanza, ran the score to a polite 48-0.

Bruce Hancock kicked off for the Matadors and the Cubberly ball club started moving right away. It took the Cougars but five plays to hit paydirt with Ernie Stevenson romping off tackle for the final 37 yards. The rout continued with long T.D. runs by Cubberly of 70, 65 and 15 yards.

THE HELPLESS Matadors were plagued with the common early season mistakes, mainly fumbles. The first half ended with Cubberly on the long end of a 34-0 score.

During the second half, the Matadors played almost on even terms with the Cubberly J.V. team, giving up but two T.D.'s and looking just a little better than the previous half.

An outstanding game was turned in by Quarterback Floyd Blaney, getting credit for more than half his team's tackles and playing his usual stellar game on offense.

TODAY at 3:30 the Matadors tangle with Diablo J.V. at home. This game has all the earmarks of being a hotly contested game.

The starting lineup for the Diablo game will be as it was for the Cubberly game. LE, Hanlin; LT, Crawford; LG, Roberts; C, Blake; RG, Wilmar; RT, Klement; RE, Littlejohn; Q, Blaney; LH, Hancock; RH, Hilger; FB, Clifford.

SCORING for Acalanes in the fourth quarter of the Acalanes-San Ramon grid game last Friday night was Lou Marello (No. 22, at right), who reached paydirt via a 12-yard run around right end, Dave Armstrong (No. 18, at left), San Ramon halfback, was blocked out by Corky Kiesel (No. 63) of Acalanes. The Acalanes Dons won, 33-25.

Panthers Hit Leathernecks In 18-6 Gridiron Contest

Playing before a small but enthusiastic crowd of approximately 600 at the Acalanes High School Field Saturday night the Contra Costa Panthers wound up their season with a well earned 18-6 win over the Alameda Marine Reserves.

The game played as a benefit for the Lafayette Youth Association was a tight and hard fought game all the way with the deciding touchdown coming in the final minute of play.

The Contra Costa eleven dominated the first half play but left the field with a scant 6-0 lead. Their lone TD came when hard running halfback Ollie McVay cracked off right guard for 25 yards. The score came in the second quarter after several earlier drives bogged down.

In the third quarter the Marines bounced back but failed to tally until in the fourth quarter when they intercepted with a 35 yard scoring pass from quarterback Rocky Parelli to end Sig White.

The Contra Costa team battled back as did the Marines but the break came when Alameda fumbled and Contra Costa recovered on the Marines 36. After nine plays halfback L. C. Joyner took the ball and scamped around end for the last five yards to score. The boot was wide and it was 12-6.

The Marines took the kickoff and on third down heaved a long pass which Joyner picked off and zig-zagged back 72 yards to score with seconds on the clock. Again the P.A.T. was missed and time ran out before any further damage was done.

One of the highlights of the evening was the presentation of a clock to Gordon McNulty by the Lafayette Youth Baseball managers in recognition of his work in the association of which he is president.

In a half time exhibition Parkmead school of Walnut Creek defeated Stanley School of Lafayette 7-6 in an eight man flag football game.

Dons Set to Host Panthers Tonight, Flu Hurting Both

The Acalanes Dons play host to the Antioch Panthers in tonight's league opener and while the Dons have split in their two practice games they appeared to hold an edge in tonight's tilt.

Antioch has played one game to date when they dropped a decision to Liberty Lions over in Brentwood.

THE ACALANES eleven will have a weight advantage in the line as well as the backfield. Fullback Stuart Busby took ill midway in the game with San Ramon and early in the week was taking it easy after having missed Monday's practice session.

George McMeans could well start at the fullback spot which is a halfback position under coach Jack Carhart's system of play. McMeans showed to advantage when he took over for Busby last week and looked good with some hard running that resulted in a seven yard average.

Mike Krutcher at quarterback has grown in stature each week and will get the call as signal caller in tonight's game.

The Dons' defenses have been set to meet Antioch's offense and that has been pretty much on a hit and miss basis.

THE DONS scouts were foiled last week when Antioch's game was washed out. In light of the official scout reports past performance has been the basis for setting up defense.

The Dons expanded their offense for San Ramon and it paid. Further expansion plus a couple of special plays can be expected on the part of both teams.

Last Friday the Dons played their scheduled game with San Ramon Wolves and while the bleachers were far from full those present got more than their money's worth in a high scoring, hard played game in which the Dons were forced to come from behind to win 33-25.

THE MARELLO Brothers, Lou and Bob, missed the Alhambra opener due to the flu but came back with a vengeance against the Wolves to rack up four touchdowns between them. In addition Bob made a tackle accounting for a safety.

Lou Marello hit pay dirt twice in the opening quarter going 38 yards for one tally and going around end again for another six on a 14 yard jaunt.

Fullback Busby missed the first conversion kick when it was wide but split the uprights with his second try. In the same period Bob Marello tackled a San Ramon back in the end zone after a kick-off and the Dons jumped to 15-6. San Ramon's six came when Mike Kyle, quarter, tossed a six yarder to end Ed French.

The Wolves were far from finished as they took a 18-15 lead by holding the Dons scoreless in the second stanza while they ran for two.

TACKLE JIM WALKER gave the Dons a chance to yell when he blocked both tries for extra points. The Dons appeared to fold when the Wolves nabbed a 25-15 lead in the third as halfback Dave Armstrong swept right end for eight yards to score and Kyle passed to French for the extra marker.

Acalanes started to roll again when Mike Krutcher passed a strike to flanker Dave Bojarsky well behind the safety for a 20 yard play and six points.

Bob Marello led the game in the final quarter as he tore off yardage time and again along with brother Lou and George McMeans who took over for Busby who took ill at the half.

Bob scored twice in the period—once on a 20 yard run and again with 30 seconds on the clock from eight yards out.

rect guesses, \$5 in merchandise orders. If more than one contestant picks the same number of winners, the prize is divided equally.

Entries, with predictions marked, must be turned in to Diamond K Supply, 3671 Mt. Diablo Boulevard, Lafayette, before 11 a.m. Saturday or must be postmarked before that time.

For complete details and rules, see the Diamond K Supply advertisement in this issue.

ANNUAL FALL HANDICAP TOURNAMENT for women of the Contra Costa Golf Club was held September 16-20. On the final day, September 20, trophies were presented by Mrs. Don Edminster (left), captain of the Women's Group, to (left to right) Mrs. Joseph Cavallero, first flight winner; Mrs. Robert Dewey, second flight winner; Mrs. Norman Macauley, third flight winner and Mrs. Marvin Hathaway, fourth flight winner.

Dave Carter Edits New AFS News Sheet, London

Establishment of the AFS Eagle in London by the British Association of American Field Service is of special interest in Central Contra Costa County.

Dave Carter, British youth who lived in Orinda for his period as an AFS exchange student at Acalanes High School during the 1955-56 school year, is the editor of the new journal.

Scheduled to appear monthly, the first issue, dated this past July, is a fourpage mimeographed production. A copy of it has been received by The Sun from Dave.

REASONS for issuance of a regular news sheet for AFS in Britain are listed as follows by Dave in an editorial entitled "We're on Our Way . . . !"

"1. To inform AFS-ers about what's going on.

"2. To keep enthusiasm alive for the basic principles of the program.

"3. To pass out among friends and neighbors in the hopes that they will learn about us and give their support to the summer program."

UNDER THE AFS program, high school students from Europe attend American high schools for a regular school year, while living at the homes of American families, and American students live for two months with families in Europe during the summer.

Usually the visiting European students in this country are high school seniors, but in the case of the two who have started at Miramonte High School in Orinda, the foreign students are juniors, since Miramonte this year goes through only the third year of high school.

IN ADDITION to the editorial by Dave Carter, the first issue of the AFS Eagle contains a variety of items, including:

1. A report of the arrival in England of 13 students from the United States. Dave Carter was one of the welcoming group which met the Americans as they stepped off a train at Liverpool Street Station, London.

2. Announcement that the Ken-

sington Rowing Club in London "has invited the U.S. summer students to use the club facilities at any time during their stay."

3. Report that 20 British students had been awarded scholarships; they were scheduled to sail from Rotterdam August 5 on board the Arosa Sky. Dave was to take the British students from Liverpool Street Station to Holland.

4. A correspondent's account of a regional AFS conference in Bournemouth.

5. THE STORY of how a team of British young people who have been in the United States as AFS students and a team of American AFS students in Britain for the summer competed against each other on "Answers, Please!"

teenage quiz show on television—received a check for 60 pounds in British money for AFS.

The Brits won the quiz contest—the score was: United Kingdom, 26; United States, 21. The AFS Eagle generously comments: "No excuses are necessary for the loss by the U.S. to Britain. They put up an excellent performance, and had they been in this country as long as the British kids had been in the States the scores may very well have been reversed."

Gaze With Us Into the Ball

The Contra Costa Section of the Diablo Valley Athletic League opens league play tonight and continues each Friday night until it winds up November 15.

Here are tonight's games and predictions:

Pleasant Hill (6) at Pittsburg (27)

Pacifica (6) at Las Lomas (20)

Antioch (12) at Acalanes (19)

Diablo J.V. (13) at Miramonte (7)

Next week it's Pleasant Hill at Acalanes, Las Lomas at Mt. Diablo and Pittsburg at Acalanes.

Toastmasters Hold Meeting

A joint meeting of Contra Costa County Toastmasters Clubs from Lafayette and Orinda, Walnut Creek, and Antioch was held Orinda.

Participants included Gordon Forrest of Lafayette, chairman; George Sanko of Lafayette, toastmaster of the evening; Vince Gates of the Lorinda Club, speaker. John Phillips of Walnut Creek, table topics chairman.

Ben Young, of Pleasant Hill, speaker and Rus Lowrey Walnut Creek, time keeper. El Westorf of Pleasant Hill was the Grammarian and Al Andersen, Walnut Creek, speaker.

Robert Evans, of Antioch was a panel speaker and Don Christensen, Antioch conducted the Evaluation program as the Master Evaluator.

Squires Dumped By Highlanders

The Las Lomas Junior Varsity traveled to Piedmont September 26 for its one and only practice game of the 1957 season.

The ride to Piedmont was shorter going than coming back as they dropped a 12-0 decision to the Highlanders.

The Piedmont club put 6 on the scoreboard in a hurry when on the second play of the game they scamped 65 yards around right end to score.

In the third quarter another tally came when they hit for the end strip from one yard out.

The Knights threatened twice in the final quarter once reaching the four yard line and on another occasion recovering a fumble on Piedmont's 11 but ineffect case bogged down.

SCHOOL BUS DRIVERS

There are 10,167 Californians holding State Department of Motor Vehicles certificates as school bus drivers.

Republican Women Plan Luncheon

A meeting of Republican women was held September 25 at the home of Mrs. Frank E. Young, 1573 Webb Lane, Walnut Creek.

Mrs. Young is chairman of the Contra Costa County Club.

The purpose of the meeting was to plan for a fashion luncheon to be given jointly by all of the Republican Women's Clubs of Contra Costa County. It will be held on February 11 at the Diablo Country Club.

The nearness of the date to Valentine's Day inspired the name "Valentine Fantasy" which will be the theme of the show.

Mrs. L. C. Keading, Richmond, chairman, announced that the selection of fashions to be shown and the supervision of the models will be done by Mrs. L. M. Hartman of Kensington. Mrs. Harmon Howard of Walnut Creek will be Mrs. Keading's co-chairman.

Committee leaders are as follows: Area Chairmen Mesdames A. P. Reck, Orinda and Moraga; E. Hughes, Richmond; Angelo Davi, Pittsburg; W. B. Bliss, El Cerrito; E. Wells Smith, Walnut Creek; M. D. Osborn, Danville; San Ramon and Diablo; J. H. Gillan, Pleasant Hill and Concord; E. F. Tesche, Martinez.

Special Committee Chairmen Mesdames F. E. Young of Walnut Creek, awards chairman; J. L. Farley of Lafayette, tickets and reservations; J. L. Tokich of Orinda, publicity chairman.

Honored guests at the meeting were Mrs. Donald Krotz of Orinda and Mrs. R. E. Galbraith, president of the Republican Women of Orinda.

Real Estate Law, Sales To be Taught

Donald Walker, a practicing attorney, will teach the Real Estate Fundamentals course at the Mt. Diablo Evening School. This class began yesterday and will meet on Thursday from 7 to 10 p.m., at Mt. Diablo High School. Real estate law and real estate salesmanship, are subjects.

The following classes will start as soon as a few additional people register: citizenship, creative writing, family finance, investments, photography, reading and writing, science, advanced conversational spanish, and welding. Another wood shop class will start on Wednesday as soon as 20 people register.

Diablo BPW Initiates New Members

The Mt. Diablo Business and Professional Womens club held an initiation ceremony for new members recently at the Alamo Women's club house.

This was a pot luck supper. District President-elect Mrs. Margaret Gunderson initiated new members Doris Anderson, Bay District program chairman, spoke.

In October, the Mt. Diablo club will be heard on a radio program, "Bayside Byways." This group of broadcasts in which all Business and Professional Womens clubs in the Bay Area District are participating started recently.

The Veterans Memorial Hall in Danville will be the scene of the annual rummage sale given by the Mt. Diablo group on October 17, 18, 19.

Adult Center is Planning Several Added Sections

The Acalanes Adult Center will offer additional sections in several classes, it was announced today by A. D. Dambacher, director of adult education.

"It has been necessary to close many of our classes because they have been filled," Dambacher stated. "Wherever possible additional sections have been opened to accommodate interested members of the community. New classes in other fields are also to be offered in the near future."

A second section on piano playing with the Chuck Dutton Chord System, will be offered on Wednesday evening from 7 to 10 at Acalanes. Two sections on general sewing, Wednesday at Acalanes and Tuesday at Miramonte High School, have also been added. A Wednesday evening class in lapidary and general crafts will be offered at Las Lomas High School.

A lecture demonstration class on weaving including instruction on texture and composition of materials, dyeing techniques and weaving will be offered by Mrs. Dale King, noted local authority on weaving.

Mrs. King will also offer a driftwood sculpturing and mounting class if community interest is strong enough.

A reading clinic to assist those people who would like to increase their reading speed and comprehension is also being considered. Mrs. Mary Malms, remedial reading specialist at the Acalanes High School staff, will be the instructor.

Several classes still have openings and will accept late registrants. These include sheetmetal shop and wrought iron, both on Tuesday; child and adolescent guidance with Dr. Edith Bryan as lecturer Tuesday morning; driver training with instruction in standard and automatic shift automobiles Tuesday and Thursday evenings; pottery and ceramics Thursday evenings.

The Adult Center's foreign language department specializing the conversational approach will offer classes in Spanish on Monday and Wednesday evenings, French on Tuesday evening, Italian on Wednesday evening and German on Thursday evening.

Supervisor Course Set

"Introduction to Supervision," a six-session course for industrial supervisors, foremen, and those preparing themselves for advancement to supervisory ranks, will be offered Tuesday nights at East Contra Costa Junior College starting Tuesday.

The sessions will meet from 7 to 9:40 p.m. The topics to be covered will include qualifications of the good supervisor, responsibility to men and management, employee grievances, discipline and human relations techniques. The instructor will be William V. Morgan, coordinator of supervisory training for the junior college district.

Marine Reserve Men Join Local Training Unit

Three U.S. Marine Corps reserve officers newly arrived in Contra Costa County have joined Volunteer Training Unit 12-29 of Walnut Creek.

They are Maj. John Val Fleming III of 88 Orchard Road, and Maj. Elton L. Watts of 103 Danza Court, Orinda, and Maj. George R. Nash who is building a home in Woodside Acres, Walnut Creek.

Fleming is export sales manager for Colorado Fuel and Iron Corporation, with offices in Oakland. He is a native of Vallejo, the son of Mrs. Ruth Fleming and the late Army Capt. J. V. Fleming, killed in France in World War I.

He is a 1940 graduate of University of California who joined the Marines and served in the Pacific. He married the former Colleen Chandler, a Navy nurse, and they have one son, Val IV, 8. Watts enlisted in the Marine Corps in 1942 and is a veteran of World War II and Korea fighting. He is western states representative for a line of heavy centrifugal pumps.

He and his wife Lillian have a daughter Janice, 15 months. They have moved to Calgary to bring back as houseguests her parents, Mr. and Mrs. W. L. Bigland, recently arrived from England.

Nash was reared in Oakland and got his degree at Berkeley in 1942. He participated in the Bougainville and Guam campaigns, and married the former Lucille Sutter of San Francisco.

They have three daughters, Pamela 7, and twins Claudia and Cynthia, 4. He is assistant manager for a Pacific Coast general insurance firm and recently transferred his office from Portland to San Francisco.

Christian Science

The ever-present power of the Christ, Truth, to heal sickness and to destroy discord will be brought out at Christian Science services Sunday.

Christian Science churches in this area are located at 22 Orinda Highway, Orinda, and 1347 Locust Street, Walnut Creek. The Christian Science Society of Pleasant Hill meets at the Hillcrest Congregational Church on Gregory Lane.

Scriptural selections in the Lesson-Sermon on "Unreality" will include the following from Luke (13:11-13): "And, behold, there was a woman which had a spirit of infirmity eighteen years, and was bowed together, and could in no wise lift up herself. And when Jesus saw her, He called to Him, and said unto her, Woman, thou art loosed from thine infirmity. And He laid His hands on her; and immediately she was made straight, and glorified God."

Correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (142:31): "Truth is God's remedy for error of every kind, and Truth destroys only what is untrue. Hence the fact that, today, as yesterday, Christ casts out evils and heals the sick."

When you shop at home, you save dollars on gas, oil, tires, wear and tear. Your local merchant must please you 52 weeks a year.

DANGEROUS HOURS

The afternoon hours between 4 and 6 are the most dangerous for the motorist and the pedestrian. When you are homeward bound after work slow down a little, and take care in driving or crossing streets on foot.

Red Cross Needs Young Women As Hostesses

The Mt. Diablo Chapter of the American Red Cross has sent out the call for volunteers to serve in the capacity of Gray Ladies, and they also need volunteers to act as hostesses at their dances

and Ward Parties at Oak Knoll Hospital.

There will be an orientation Tuesday for volunteers in the latter category at 7 p.m. at the hospital to acquaint the girls with

their duties. Qualifications include the facts that women must be single between the ages of 18 and 25. Interested girls may contact the Mt. Diablo Chapter

"6 minutes on duty...cuts my wife's workday by hours"

San Francisco Mounted Policeman, Julius Long, earns enough in 6 minutes to run a houseful of appliances for 24 hours

Heat, lights and running 28 appliances hardly makes a dent in the Long's family budget. Mr. Long figures it takes him just 6 minutes on duty to pay for all this gas and electricity. "At these low prices we can afford to give our appliances a real work-out, and have more time to enjoy things like T.V."

This is another way Californians live better. With gas and electricity so cheap, you can afford to let appliances do more of your housework. For even though the cost of living has doubled in the last 20 years, a unit of P. G. and E. gas and electricity costs you about 1/2 less than it did back in 1936.

Live better—gas and electricity are cheap in California

LEARNING TO NAVIGATE and coordinate damaged muscles on gliders, walkers and trikes during the five week summer school session at Shadelands School were these Contra Costa Palsy Society children. Left to right are Carol Jackson, Pamela Schutz, Tom Sciacqua and Norris Casey. The society is supported by United Crusade funds. —Sun photo by Anthon.

Cancer Group Attends Meet

The Contra Costa County branch of the American Cancer Society is well represented at the eleventh annual meeting of the Society's California Division in San Francisco today. Division headquarters is the Fairmont Hotel.

The two official delegates are Dr. W. M. Bogart and Mrs. E. E. Matheson of Concord. Dr. Roy Goranson, Danville, is the alternate delegate.

A two-day cancer conference for physicians was scheduled in conjunction with the Cancer Society meeting. Present were Dr. Fred A. Pellegrin and Dr. Jonas Schreider of Walnut Creek, Dr. Bogart and Dr. Robert L. Martin, Concord. Dr. Martin is a member of the California Division board of directors.

DEATH VALLEY

Approximately 400 square miles of Death Valley lie below sea level.

Red Cross Seeks New Gray Ladies

The Mt. Diablo Chapter of the American Red Cross is recruiting Gray Ladies for service at Oak Knoll Naval Hospital, Ted Counter, chapter chairman, announced today.

Ladies who have some free hours in the day or evening are needed in either personal service, crafts, or recreation. No previous experience is required as training is given by the hospital.

Applications must be made immediately in order to be processed and ready for the indoctrination classes on October 16 from 1 to 5 p.m. and 6 to 9 p.m.

Information may be obtained from Mrs. Helen Loeb at the chapter house in Walnut Creek.

The Mt. Diablo Chapter covers the Orinda, Lafayette, Walnut Creek, Alamo, Danville, San Ramon and Pleasant Hill areas.
